'Sterling Daily' Motto: "News with Integrity and Wisdom" = 2568
in Alphabetics

On 11/11, I tallied the ASCII sum of my ^{proposed} Sterling Daily news service ^{motto} to see if it has good resonance in Alphabetics (AB). It does.

OT def. H2568 means "weasel" — which is hardly complimentary — until you consider it as ^{an} antonym, at which point it comes sharply into focus. The Merriam Webster Collegiate Thesaurus (MWCOT) on our tablet defines it, "1: v to avoid a definite answer or position [I take strong stances, trusting my intuition and life wisdom in providing a forest-view perspective on important matters]; [ant] syn. equivocate, fudge, hedge pussy foot, tergiversate, waffle." It defines "tergiversation: evasion of straightforward action or clear-cut statement; equivocation, desertion of a cause, position, party, or faith." Continuing the weasel def., we have "3: v [weasel (out of) to get or keep away from (as a responsibility) through cleverness or trickery." These are strong antonyms of integrity and wisdom.

In vicinity, we have:

- H2465, 6 the world [I aim to have a global perspective and interest]: — age [epoch (e.g. Epoch Times, a similar approach to)], short time [ant. I ~~intend~~ intend to do this service through the Millennium]...
- H2469 worldliness [ant. righteousness, MWCOT "1: worldly possessing or displaying significant experience and knowledge about life and the world"]

Here are some def.s in vicinity of NT def. G2468 (2)

- G2467 to know
- G2468 be thou :- agree [common sense], be, give thyself wholly to [all-in, synced up]
- G2470 (seemingly); similar :- agree, as much, equal [D&C 88:107 ^{ChapB} "saints shall be made equal with God"], like [emulate, follow good examples]

Page 247 (2467/10) of Str.'07 has the entries
"Days [Daily], Dayspring [to Luke 3:78 the dayspring from an
high hath visited us]". Dayspring's Daily. ☺
