Fast-Tracking Trump Back to Presidency

by Sterling D. Allan, 228033

July 25, 2023

As a segue to my 7/22 article, "Start Giving Global Conspirators Justice Via Tip to Karma Planets," there's a huge corollary outcome that should be anticipated and enacted in a timely way.

After HMITF & I activate the II, and along with that teleportation (tip), I see us (also including the early ChofFB members to come in) tip'ing, within just a few days of activating the II, ^{away} in the first set: Joe ^{& Hunter} Bider, Kamala Harris, Hakeem Jeffries (sp?), and Barack Obama, and spouses; to closely parallel planets to us. (Sorry, if I had a word processor, I could rearrange that sentence into ^{several} bite-size sentences. You can figure it out.)

With Joe Bider and Hake Kamala Harris being taken out of availability, the Constitution calls for the Speaker of the House to step into the presidency — or at least that is the common understanding. The Constitution print-out I have gives the following wording in italics[†], followed by "(This clause in parentheses has been modified by the 20th and 25th Amendments.)"

Article II, Section 1;
#

(2)

(indent) { "In case of the Removal of the President from Office, or of his Death, Resignation, or Inability to discharge the Powers and Duties of the said Office, the same shall devolve on the Vice President, and the Congress may by Law provide for the Case of Removal, Death, Resignation or Inability, both of the President and Vice President, declaring what Officer shall then act as President, and such Officer shall act accordingly, until the Disability be removed, or a President shall be elected.)"

That wording doesn't specify Speaker of the House. Nor does it specify "what Officer." I do know that the House can select for their Speaker anyone they deem capable of playing that role well. There have been conversations (before McCarthy was selected) about having Pres. Trump serve as Speaker of the House.

It seems to me that a generous/loose reading of "Officer" in the above language could include Pres. Trump, without the pre-requisite of becoming Speaker of the House before being selected by Congress to become President in the 11th absence of Pres. Biden, and Kamala Harris, providing an avenue for Trump to become President before the 2024 election.
