## Please Forgive Me

In the past couple of months, there have been two inmates in my section who hate on me and say very rude and immature things to try and tear me down. They seem to despise that I walk and carry myself with such confidence, happiness, kindness. How could someone who has done such terrible things (they're aware of my charges for which I'm incarcerated) be this way?

Their toxic attitude has been spreading to others toward me. This morning, I wrote this memo to give them:

Hello,

7/23/23

Please do not define me by terrible things I've done in the past and have repented of. People can change. I have.

"If ye forgive not men their trespasses, neither will your Father forgive your trespasses." (Matt. 6:15)
