In the conclusion of my book, None to One: Evolving the Repentance Clause of Prophecy (available at IndComing.org) I say (p. 453-4)

<indent> ¶ So, the concise distillation of what is ~~required~~ required to become ChofFB [Church of the Firstborn], with all its attendant gifts (see Appendix A-1) is to (A) go all in with your unique God calling, and (B) sync up with your intuition. As four words it can be expressed, "all-in, synced up". ▮

I then did an analysis of the ASCII sum, which I had incorrectly tabulated to be 1553. It's actually 1556. Most of the time, ^{including this one,} such inadvertent errors end up being fortuitous. God seems to utilize this as a way to incrementally roll things out.

It wasn't until 2/2/2024 that I saw that the ASCII sum of "all-in, synced up" is actually 1556, the same sum as "Russell M. Nelson", president of The Church of Jesus Christ of Latter-day Saints.* Fittingly, his closing address in the Oct. 1, 2023 general conference was titled, "Think Celestial." ChofFB is Celestial level, ~~incarnate~~ (D&C 76:50-70, esp. 54, 67, 70.)

OT def. H1556 occurs on p. 1484 str. 'D7, the ASCII sum of "Heavenly Mother", who's stepping forward, all-in, synced up with that calling institutes a cascading in of ChofFB in the days shortly ahead. H1556's main meaning is "to roll" — as in rolling forth of the Millennial reign. It's meaning of "commit" relates to the "all-in, synced up" stature. In Pres. Nelson's vernacular, the would be the synonym concept of becoming a covenant people (committed).

The H1556 ^{meaning} of "trust" (God) also has clear relevance to "all-in, synced up". That word is also a great summary of one of Pres. Nelson's most well-known / oft-cited quotes: (paraphrasing)

<4/12>

"In coming days, it will not be possible to spiritually survive without getting guidance from the Spirit of God." [synced up]

NT def. "G1556 vindicate, retaliate, punish:— avenge, revenge." ^{is} This ^{is} the reaction one might expect of those of us who have been wrongfully cast out (1 Me. 21:1; Isa. 66:5; Zeph. 3:19; Jer. 23:1; Ezk. 34:2), but in the scenario, it's ^{apostate leaders'} their ⁱⁿ repentance that we seek, by their achieving the "all-in, synced up" status to become joint heirs of Christ. I see Pres. Nelson leading that transformation among the Church.

I concluded my 4/30 blog article titled " 'Key Bridge Collapse' = '1769 Depicted in AB Bible Code' as follows:

"Will you be among those who proclaim the acceptable year of the Lord" (Isa. 61:2) — sans the day of vengeance because we evoke the repentance clause?"

That sentiment is what comes to mind for me in looking at the def. just before G1556:

- G1555 to narrate through wholly: — declare That's part of becoming "all-in, synced up." Pass it on. 😊
