"Key Bridge Collapse" = 1769 Depicted in AB Bible Code (Overview)

March 31, 2024

The ASCII sum of the string, "Key Bridge Collapse" is just seven away from 1776, when the country was set in motion by the Revolutionary War. Inasmuch as the bridge namesake, Francis Scott Key, composed the national anthem, when you see the resonance between the Old and New Testament definitions H1769 and G1769 and their vicinity def.s, I think you'll see that the bridge collapse portends a sudden, catastrophic collapse of our country — if we don't repent. [¶] Here are some highlights:

"H1758,9 to trample, tread down [3 Ne. 16:13-15; 21:12; 20:19,20]; H1760 push down, drive away/on, overthrow, totter; H1761 as being struck; H1762 a push, falling; H1763 to fear, be formidable, dreadful, terrible; H1765 hasten, pressed on; H1766 to press, thrust; H1767 too much; H1768 now [3/26/24], seeing [globally]; H1769 pining; H1770-1 to fish [waters]; H1772 vulture H1773 ink [dominates headlines]"

"G1753-5 strong, operation, working [ant. malfunctioning cargo freighter]; G1757 benefit, bless [ant. disruptive]; G1758 entangle with; G1760-1 to be inspired, ponder ["Mayday"]; G1764 impend, be instant, at hand [sudden];

G 1765 to invigorate, strengthen [art. collapse];

G 1766-8 9,9,9,9 [odometer roll-over] on brink];

G 1769 silent from astonishment, speechless [(A) at collapse; (B) at AB procession in depicting this har-binger]:

My 10-page write-up on this, dated 3/30, is on my blog.

"Key Bridge Collapse" = 1769 Depicted in AB Bible Code

by Sterling D. Allan, 228033

March 28-30, 2024

On the morning of the Francis Scott Key bridge collapse in Baltimore, MD, I had the impression to tabulate the ASCII sum of the string, "Key Bridge Collapse" = 1769. Right away, I noticed it is sever removed from 1776, the year the American Revolution commenced. Then, later, my sister (second) reminded me that Francis Scott Key composed the National Anthem.

When I looked up Old & New Testament def's H 1769 and G 1769 and the def's in vicinity on Strong's Concordance (©2007 ISBN 978-1-59856-378-8) and saw huge resonance with the 3/26 collapse, and seeing that 1769 is so close to 1776, I realized that there is something very significant about this event, perhaps as a harbinger of the sudden collapse of the country—if we don't repent. (See my book, None to One: Evoking the Repentance Clause of Prophecy, available from IIIndComing.org.)

When you see how strongly relevant these two sets of def's are, rather than go to fear about pending collapse, I hope you'll rather do what you can to help bring about the needed repentance, both of yourself as well as of those ~~over~~ with whom

(2)

you have influence. We don't have to hit rock bottom hell before achieving heaven bringing the king (& queen) of heaven to earth.

- H 1755 a revolution of time [(A) 1776; (B) evolving the repentance clause (r.c. - I use that abbreviation a lot) to avert collapse of the country], i.e. an age or generation [A & B]; a dwelling [see H 1756, 7]
- H 1756, 7 dwelling [WMCT, 4: v to continue to be in a place for a significant amount of time. The Key bridge has been there 47 years. (NBC)]
- H 1758 to trample or thresh :- ⊖ (This symbol in the def. signifies that ~~what~~ what follows, alphabetically, are the words in the Bible that we translated from this Hebrew (Greek in NT) word.) break, tear, tread tread down
- H 1759 to trample :- tread down [ditto]
- H 1760 push down :- drive away, drive on [the bridge], overthrow, totter [MWOT "1: v to swing unsteadily back and forth or from side to side" ...
- H 1761 ... (as being struck) ...
- H 1762 a push, i.e. a fall :- falling.
- (*3/29) H 1763 <*> to shirk, i.e. to fear, be formidable :- make afraid, dreadful, fear, terrible
- H 1764 millet [a grain, relates to the fact that a large proportion of the cargo is farm equipment (#1 in nation)]

- H 1765 to urge, i.e. hasten :- haste, pressed on... [The malfunctioning cargo ship was accelerating]
- H 1766 to press :- thrust, vex...
- H 1767 :- more than enough [to cause the bridge to fail], much as is sufficient, too much
- H 1768 :- now [March 26, 2024], seeing [by whole planet], when, which, whom, whose [AB details the who, what, when, where, how of the great and marvellous work of the Father (& Mother) in these these end times]

↕ • H 1769 [= "Key Bridge Collapse" (ASCT)] pinning [(A) play on words, "pinning". ^{two} ~~survived~~ survived; 2 ^{bodies} were retrieved from a pick-up truck; the remaining 4 (?) will be pinned until the bridge structure is lifted off them; (B) It was called a "mass casualty event," but it wasn't, thanks to (a) 1230 am low traffic time, (b) road construction, (c) the "may day" issued that resulted in blocking traffic; (c) the main repercussions are (a) impeding traffic flow in Baltimore, (b) supply chain impact from port blockage, (c) re-thinking bridge buttress protection.]

- H 1770, 1771 to fish / fisher [water body]
- H 1772 a falcon (from its rapid flight) :- vulture
- H 1773 ink [^{this story} has dominated the news.]
- H 1774 of gold [This morning (3/29), TMD reported two numbers :- \$60 mil. to clear the wreckage, \$400 mil. (minimum) to rebuild bridge. Total: \$460 mil. ^{\$4 mil} less]

than the \$464 mil. bond Letitia James wanted
 President Trump to pay. H64 H464 means
 "God of gold." See my 3/28/24 blog post, "Pres.
 Trump's \$464 Mil. Bond in AB: H464 'God of Gold';
 G464 'Strive Against' (20th.)"]

- H1775 for H1769 [= "Key Bridge Collapse" (ASCT)] :- Dismon
 [play on words "demon" - art: downe / freedom]
- H1776 Feminine of H1775 ↗

From this, we see 1776 tied to 1769,
 reinforcing the idea that the Francis Scott Key (na-
 tional anthem) bridge collapse is a harbinger of a
 sudden national collapse if we don't repent. The
 "treading down" wording of H1758-9 ties to the s.c.
 prophecy of 3 Ne. 16:13-15. ^(and below) Above, we see how
 OT def.s H1755-1783 - 28 consecutive definitions
 depict the Key Bridge Collapse in minute de-
 tail, as a harbinger to America's collapse if we
 don't repent.

- Def.s H1777-1784 all have to do with relat-
 ing to the founding of America, year-wise, all have
 to do with "judge(ment), justice" - or the proper
 form of government. Def. H1777 gives an elaboration.
- H1777 to rule; to judge (as umpire); to strive (as
 in law) [e.g. Constitutional Convention] :- contend [e.g.
 war], execute judgment, judge, minister judgment,
 plead, plead the cause, at strife, strive.

(5)

See my 1/20/23 editorial, "Reform Judicial System, H6666."

- H6666 rightness, rectitude, justice, virtue or prosperity :- justice, right, righteous act, righteously, righteousness.

This def. proclaims that freedom must be anchored in righteousness or it will turn to licentiousness and tyranny. The Marxist conspirators, esp. Soros, targeted especially ~~our~~ our judicial system for rotting us from the inside. The 666 reign of the beast results if we don't repent.

↑ NT Def. G1769

The lead-up def's prior to G1769 seems to depict the collapse event from the perspective of the malfunctioning cargo ship, DALI.

- G1753 *energeia*; efficiency ("energy") [DALI's electricity was turning off & on; & contaminants in its fuel was suspected in its engine non-cooperation] :- operation [malfunctioning, non-responsive], strong [sea freighter, fully loaded with shipping containers], ([non-]effectual) working.
- G1754 *energeō*; to be active, efficient [^{ant.:} not optimal] :- do [massive damage], (be) effectual (fervent) ["Mayday!"], be mighty in [cargo freighter], shew forth self [now globally infamous], work (effectually in) [towing^{key} bridge].
- G1755 *energēma*; an effect [global impact] :- operation [ditto G1753], [not] working.

⑥

- G1757 to confer a benefit on :- bless [ant. disruptive; encumbrance, bare]
 - G1758 :- entangle with
 - G1759 within [impaled], i.e. (of place) here, hither
 - G1760 to be inspired, i.e. ponder ["oh no! Mayday!"]
 - G1761 deliberation ["what should we do?"]
 - G1762 there is in or among [impaled]
 - G1763 a year [n.a.] 1963 is the year I was born
 - G1764 imperd ["Mayday"], be instant :- be at hand, present [3/26/2024]
 - G1765 to invigorate :- strengthen [ant. collapse]
 - G1766 ninth
 - G1767 nine
 - G1768 ninety-nine
- ↓ - G1769 silent from astonishment :- speechless... [Calls to mind the ^{Rev.} Babylon 18 amazement at Babylon (e.g. NYC) falling in one hour how, which the key bridge collapse portends.]
- Speaking of time, specificity, and synchronicity (seen above), three days before the 3/26 key bridge collapse, I finished my blog article, "Would God that Everyone Would Sign." That topic is directly relevant to a portion of G1769 I didn't cite above, as well as the def. just after it.
- G1769 dumb (as making signs) :- speechless...
 - G1770 to nod at, i.e. communicate by gestures :- make signs.

(7)

Here are some highlights on what I found looking up the ASCII ^{sum} sign of "Would God that Everyone Would Sign" = 3167

- G 3165 = - I, me...
- G 3166 to talk big, i.e. grandeloquent...
- ↓ • G 3167 magnificent, a conspicuous favor, or perfection :- great things [my website pre 2/22/16 arrest = GreaterThings.com, now via Archive.org], wondrous works.
- G 3168 grandeur, i.e. glory or splendor :- magnificence, majesty, mighty power
- G 3169 befitting greatness or magnificence (majestic) :- excellent ["excellence" is the main meaning given for sterling]

The OT uses def. H 3167 and vicinity seem to relate more to the person for whom signing is being done, in the spirit of "inasmuch as ye have done it unto one of the least of these, ye have done it unto me."

- H 3161 to be (or become) one } [where 2 or 3 are gathered in Jesus' name]
- H 3162-3165 unity
- H 3166 beheld of God
- ↓ • H 3167 Jah will behold
- H 3168-3169 God will strengthen [enable]

That write-up is 12-pp. long. Imagine the power of people both speaking and signing, adding that ability to express passion, dynamics, beauty, wt.

An even more chronologically-adjacent event to the 3/26 Key Bridge Collapse was the 3/25 date when Pres. Trump's \$464 mil. bond was due, then reduced to \$175. It took me three days to ~~compose~~ compose the 20-~~00~~ blog post, "Pres. Trump's \$464 Mil. Bond in AB: 4464 'God of Gold'; 0464 'Strive Against';" mentioned earlier.

Well, this afternoon, ^{whole} at Institute, I tabulated "Page 1769" ("Key Bridge Collapse" ASCII) of the Bible, which ends on p. 1590. In the ©2013 edition, extrapolating into the appendix, which begins on p. 1595, p. 1769 is p. 175 of the Topical Guide. I'd looked up that page on 3/25. Now, in the context of the r.c. and these major events of the past few days being so powerfully encoded in AB, these entries on p. 175 become clear in their relevance: "God, Mercy of [r.c.]; God, Omniscience of; God, perfection of."

Positive Angle on the 9,9,9,9 Set

Above, regarding the G1766-8 set of 9,9,9,9 defns, ~~and~~ and ~~there~~ their tie to the notion of an odometer about to roll over, I related that to society being on the brink of a sudden collapse to rock-bottom hell on earth, which the Marxist conspirators have been driving us toward ~~for~~ since

Marx. e.g. Barack Obama studied^{in college} the strategy of Cloward and Piven (cp?) to collapse civiliza-
tion then come to the rescue with 'ideal' Marxism.
It's on their script. ⑨

I need to mention that this same vif-
cinity of numbers also depicts key elements of
the r.c. scenario that I set forth in my N→O
book. You can read their elaboration there.

1767 is the ASCII sum of "InFinite Inter-
Face" (w/o -) (the "two" - II, in IIadComing.org).^(2/19/16)
It's^{is} wisdom and Thummin capability sans hardware,
that all the ChofFB will have in full, but lesser
gradations will be available to everyone, propor-
tional to the extent to which they have achieved
the "all-in, synced up" status. It's activated day
one of when the r.c. is activated, in fulfillment of
e.g. 2 Me. 30:16-18; 2 Kings 7:2; Isa. 65:24; 1 Cor. 13:12;
Eth. 4:6-7, 13-15; D&C 121:26-33; 1:2; Isa. 40:5; Job 33:26.

1769 is the ASCII sum of "Shared Life Review"^(5/10/20)
which occurs shortly after the II is activated, sans
dying, seeing each other's (ChofFB, starting with
HM&HFITF) life review, in an instant — then later
being able to revisit any portion of it via the III —
from any angle or distance desired (AF 13). Imagine
the^{net} wisdom that will come from having this ac-
cess to the noble souls who became ChofFB.

According to Wayne Allen Root who
was his classmate,

(10)

1768 is the ASCII sum of "teleported letter" ^(10/8/22). TP is another gift of the Spirit to which all of the ChofFB will have access. Remember, joint heirs will be able to do all that Jesus did and even greater (John 14:12). The scriptures gave many examples of tp, e.g. 3Ne.28:30; John 6:21,25; Acts 8:39; Moses 7:27; Hel. 10:16; 2Ne. 4:25; 1Ne. 11:1.

Per 1Ne. 11:1 [1111], tp will be how I'm able to meet up w/ HMITF for our joint theophany / vision-of-all epiphany, where the II is activated. It's possible / likely, as well, that prior to this event, tp could be utilized in written correspondence between us, leading up to the theophany.

1768 is also the ASCII sum of "sub-conscious mind" (10/1/18). These key launch events of the r.c., bringing the kingdom of heaven to earth over a span of "the acceptable year of the Lord," launched by seven key events over less than a month, will serve to impact civilization deeply — a subconscious entrainment for good — as "the Lord [makes] bare his holy arm in the eyes of all nations, and all the ends of the earth shall see the salvation of our God." (Isa. 52:10) Will you be among those who "proclaim the acceptable year of the Lord" (Isa. 61:2) — sans the day of vengeance because we evoke the r.c.?
