Mandella Effect from Parallel Planet Swap

by Sterling D. Allan, 228033

Aug. 3, 2023

A fun controversy came up on Real America's Voice (RAV) TV's "America's Sunrise" show recently. Karyn^{and Terrance} and others (several guests) definitely remember (from 70s, 80's?) Richard Simmons wearing his signature head band. Ed Herry remembered no such thing, and ^{authentic} no photographs or video's now available show him with the head band. Karyn said this controversy is a hot social media topic as a sample of what is called the "Mandella Effect," after a book written to document many such discrepancies between ~~use~~ collective memory of many versus historic documentation showing differently.

In 2018, after reading that book, I wrote an article about this phenomenon, which the II will make available once it's activated.

Exhibit A is the Moses 2230 passage that says "millions of earth like this... would not be a beginning to the number of [God's] creations." Exhibit B is the notion that incarnating into mortality on a planet is akin to auditioning then playing a particular character in a play such as Fiddler on the Roof, which requires that the exact script be followed. Except in

(2)

In this case, it's an entire planet with billions of "character" roles to play. While the script may be the same, not all Fiddler on the Roof performances are the same.

I hypothesize that what took place is that two parallel planets opted at a key juncture to switch places (spirits incarnating bodies). The best stayed or went to one planet (ours), while the not-as-good spirits went to, or stayed on the other ~~planet~~ planet, resulting in a planet (ours), which has the very best souls.

The other planet, because it did not benefit from the best souls, ended up hitting rock bottom as prophesied in the scriptures. We, on the other hand, are going to pull off a super-advanced version of the repentance clause (r.c.) of prophecy that says if a sufficient core of society repents, then we avert the rock bottom collapse and we go straight to the kingdom of heaven on earth instead (pending, soon). (See my book, None to One: Evolving the Repentance Clause of Prophecy, available from IndComing.org.)

The result is that those of us whose spirits migrated here at the switch time have memories of details from the previous/paral-

③

let planet that are different from what actually happened on this planet. Not everything is identical.

Our shoulders are more square here than the sloped shoulders on the other planet. The heart was situated further to the left on that planet. Australia was further south. Chile was under Texas on that planet. The earth is in a completely different location in that Milky Way. "Cacker Jacks" were plural. "My Baloney" has a first name, it's O.S.C.A.R., my baloney has a second name, it's M.A.Y.E.R" — is spelled differently here. And, yes, Richard Simmons definitely ~~to~~ wore (always?) a head band there; he didn't wear one on this planet.

Ed Henry is from this planet. Wayne Tysk is from the planet I also migrated from — along with billions of others at the time of the switch.

One of my favorite examples of this phenomenon came from a Coast to Coast AM caller a couple of years ago. He's a trucker in Texas who runs the same route every night, when traffic is light. He said the trip previously took exactly one (?) hour. Then suddenly, it was always 1:15 to (?)

(4)

hours - 15 minutes longer. The Mandella Effect was not broached, but that's what I immediately thought of. It's consistent with the different geographical layout here compared to the other planet, where Chile is below Texas, not Florida.

The memories of those souls who switched to the other planet will likewise vary from what they see there - except because they end up crashing, this phenomenon is likely to be mostly un-noticed there.

Some Scriptures Consistent with the Notion of Tipping Global Conspirators to Karma Planets for Justice

by Sterling D. Allan, 228033

Aug. 4, 2023

This is a follow-up of my 7/22 blog post, "Start Giving Global Conspirators Justice Via Tip to Karma Planets." It addresses the two-tier system of justice that sees the Marxist Conspirators get away with all kinds of treasonous crimes, while MAGA patriots get hit with terrible consequences for fabricated "crimes." With the justice system long infiltrated/controlled by the conspirators, we wonder how these conspirators could ever be brought to justice. The foxes are guarding the hen house.

By evoking the repentance clause (r.c.) of prophecy, the Church of the Firstborn gifts of the Spirit are also activated. Those gifts include the ability to teleport (tp). All the gifts are governed by AF 13 (Articles of Faith 13). This filter keeps everything done by them in keeping with the will of God.

Once my HMITF partner embraces her mission, all in, then the IT will be activated as part of activating the r.c. and the gifts of the ChofFB will become available by her and me,

②

Followed by many other ChofFB who cascade into that body, once they achieve the "all-in, synced up" prerequisite.

Within a few days of HMITF & me activating the II and me tipping out of prison, before we do the 2 Chron. 7:14 prayer event, that's when I see us starting the tipping of the key global Marxist conspirators to a parallel planet. That planet will have already hit rock bottom, not having evoked the r.c. available to them. And these conspirators tip'd there will now be on the receiving end (Karma) of what they have been engineering to ^{have} unfold ^{ed} here. Their ~~task~~ assigned task will be to (A) report, and (B) Flip that planet to goodness. If they opt out of that assignment, they're ~~by~~ likely to die along with many on the planet grovelling ^{their} in rock bottom morass. ⁴ If they try to join the conspirators on that planet, then they'll be tip'd to a more primitive planet jungle where they're on the menu, with just a ^{primitive} knife to defend themselves. Repentance will still be an option. It doesn't have to be a death sentence.

That's the scenario I presented in that previous article. Then, on 8/1, I thought to use my GOST (Guided Opening of Scriptural Text) method to possibly find some scriptures relevant to

(3)

this notion. So I wrote, "Asked in prayer to open to a scripture ref. relevant to tip conversion of conspirators scenario." The first place I randomly opened to was pp. 1392,3 of the Bible. I rated Acts 15:6-11 an 8.5 in relevance. In my Tip article, I likened these repentant conspirators to the Saul → Paul type of conversion. That's kind of the sentiment Peter gives of the Gentiles, which relates to the repentant conspirators flipping the ~~collapse~~ collapsed planets back to goodness.

"7 ... a God made a choice among us [here on this planet], that the Gentiles [inhabitants of destination planet] by my mouth [conspirator charged with (A) repentance, (B) flip destination planet to good] should hear the word of the gospel, and believe.

8 And God, which knoweth the hearts, bare them witness, giving them the Holy Ghost [per the Joel 2:28 "I will pour out my spirit upon all flesh..." prophecy on destination planet], even as he did unto us [the conspirators who repent]"

(referencing Amos 9:11)

Verse 16[^], in the context of a destination planet that has hit rock bottom collapse, may also hold relevance.

"16 After this I will return, and will build

(4)

again the tabernacle [kingdom] of David, which is fallen down; and I will build again the ruins thereof, and I will set it up:

17 That the residue of men might seek after the Lord [Flip the planet for good], and all the Gentiles, upon whom my name is called, saith the Lord, who doeth all these things.

18 Known unto God are all his works from the beginning of the world. [None of this is a surprise to God.]

Verse 36 relates to the notion of the various converted conspirators comparing notes amongst themselves:

"36 ... And some days after Paul said unto Barnabus, Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do."

Seeing those refs as significant, I thought I'd ~~try~~ try it again. This time I ("randomly") opened to pp 14, 15 of the D&C, which opens with D&C 7, which I also rated an 8.5. It's talking about John the Revelator who asked to tarry to minister until Jesus comes again. In order to do this he asked for "power over death", which he was granted^(7:2). In the context of the conspirator converts, this

⑤

relates to the likelihood that they'll become ChofFB by going all-in and getting synced up. All the ChofFB who wish to live through the Millennium will be granted the Job 33:25 fountain of youth revival, akin to what John was granted, "that he might bring souls unto me" (7:2)

Verse 5, in the context of the converted conspirators, points to their having been foreordained, having fore-chosen this destiny (their choice for their life path).

"5... my beloved has desired that he might do more, or a greater work yet among men than what he has before done.

6 Yea, he has undertaken a greater work; therefore I will make him as flaming fire and a ministering angel; he shall minister for those who shall be heirs of salvation who shall dwell on the [other] earth[s]."

The third place I ("randomly") opened to was pp. 28,9 of the BoFM. I rated it a 9, in relevance. Some of the most obvious ties are:

- 2 Ne. 10:9 "the kings of the Gentiles [many of whom are key players among the global conspirators] shall be nursing fathers unto them [to repent and flip the destination/parallel planet for good], and their queens
- : 21 "isles [plural] of the sea; wherefore... there must

shall become nursing mothers... 5

needs be more than this [including on other planets
☺], and they are inhabited also by our brethren
[applies to our parallel planet "brethren" as well]"

• :15 "Wherefore... I must needs destroy the secret works
of darkness [esp. the global Marxist conspiracy led
by these conspirators], and of murders [(A) knocking
off 'undesirables', (B) depopulating the planet, (C) abor-
tions, etc...], and of abominations [galore]"

• :16 "Wherefore, he that fighteth against Zion... shall
perish [e.g. tp'd to parallel planet on rock bottom
collapse, on the receiving end of what they sought to
unfold here - karma]..."

• :19 "this land... is a choice land above all other lands
[and planets?], wherefore I will have all men that
dwell thereon that they shall worship me, saith God"

• :20 "let us remember him, and lay aside our sins,
and not hang down our heads..."

<8/5> • :2 "the promises which we [including on parallel planets]
are promises unto us according to the flesh; wherefore, as
it has been shown unto me that many of our children shall
perish in the flesh because of unbelief [e.g. rock bottom
collapse on parallel planet], nevertheless, God will be
merciful unto many; and our children shall be restored
[e.g. via testimony / ministry of converted conspirators],
that they may come to that which which will give
them the true knowledge of their Redeemer."

• :11 "this land [America] shall be a land of liberty unto

(7)

the Gentiles, and there shall be no kings [including tyrants] upon the land, who shall raise up unto the Gentiles [hence the timeliness of this tying of our global conspirators to parallel planets that have hit rock bottom because they didn't evolve the r.c.; thus have reign of the beast, which is a "king" equivalent tyranny]

- :14 "For he that raiseth up a king against me shall perish, for I, the Lord, the king of heaven, will be their king, [e.g. me & HMITF & ChofFB], and I will be a light unto them forever, that hear my words."
- :18 "Wherefore, my beloved brethren [Lehites], thus saith our God: I will afflict thy seed by the hand of the Gentiles; nevertheless, I will soften the hearts of the Gentiles, that they shall be like unto a father to them [both here and on parallel planet]; wherefore [because of the r.c. being evoked here], the Gentiles shall be blessed and numbered among the [compare r.c. passage 3Ne. 16:13, 14] the house of Israel ["H3478 he shall rule as God:-Israel" (str.'07)]..."

The next place I opened to was where I had a bookmark, pp. 228, 9 BoFM, so, at first, I dismissed it. Of course, it's likely to open to a bookmark. But, then, I realized there could be some good relevance on those two pages. There is.

Remember, the initial concern, upon these global conspirators being tied to a parallel planet that has hit rock bottom, on the receiving

end, will be survival, scrounging for food, ^{clean} water, clothing, shelter. P. 228 opens with Alma being hungry and Amulek taking him into his house to take care of him. ^(Alma 8:195-23) Remember, Alma was one who had repented and was then called of God to preach — comparable to the task set before the conspirators who are tied to a parallel planet.

"24 ... I have been called to preach the word of God among all this people [Flip the planet to good], according to the spirit of revelation and prophecy..." [Alma 8, p. 228]

*28 And it came to pass that the people did wax more gross in their iniquities

29 And the word came to Alma, saying, Go, and also say unto my servant Amulek, go forth and prophecy unto this people, saying — Repent ye, for thus saith the Lord, except ye repent I will visit this people in mine anger; yea, and I will not turn my fierce anger away. [unless they fully repent, e.g. Jaredites had many opportunities to repent as they dwindled to utter annihilation] [Compare 9:12, 13]

Remember, this p. 228 is the first 3 digits of my 228033 offender number. I believe the above ministry parallels my ministry, especially the next two verses. And in the context of the conspirators

(9)

being t'p'd to another planet to report and preach/ minister, I see these also applying to them, augmented by receiving all the gifts of the Spirit of the Chr/FB once they achieve the all-in, synced up prerequisite.

"30 And Alma went forth, and also Amulek, among the people, to declare the words of God unto them, and they were filled with the Holy Ghost.

31 And they had power given unto them, insomuch that they could not be confined in dungeons; neither was it possible that any man could slay them; nevertheless they did not exercise their power until they were bound in bands and cast into prison. Now, this was that the Lord might show forth his power in them.

32 And it came to pass that they went forth and began to preach and to prophesy unto the people, according to the spirit and power which the Lord had given them."

After this analysis, I think I'd give this page a 9 in relevance. I love the angle it puts on this.

The next and last place I looked ^{looked "randomly" to} was Isa pp 874,5 of the Bible. I rated it a mere 7 in relevance. It's depicting an end-times destruction/dystopia, which relates to the condition of the destination /parallel

(10)

planet. e.g. Isa. 10:3 "in the day of visitation, and desolation"; The repentance in the midst of this is touched on as well in 10:21 "The remnant shall return... unto the mighty God."

I would imagine that most places I might open to in the scriptures would have some degree of relevance since the themes of this scenario (repentance, destruction, ministry) are replete in the scriptures. The corollary is that this scenario is in keeping with key themes of the scriptures.

<8/6>

Continuing the Isa. 9:19b 10:33a pages applicability, I'd like to point out the relevance/significance of 10:4 "without me they shall bow down under the prisoners." Without evolving the r.c. the open borders will continue to see an invasion of (A) prisoners and psychiatric patients released from other countries to come here and cause unrest; on top of (B) military-age agents, (C) drugs, (D) human trafficking, etc.
