There's an amazing verse I found in Job 33:25, "His flesh shall be fresher than a child's; he shall return to the days of his youth." I see that Messianic-ish verse relating to all of the Church of the Firstborn joint heirs of Christ (Rom. 8:17; Eph. 3:6) who wish to live through the Millennium.

If we as a society continue the awakening and repentance that we've been seeing in the revival under way, then we will avert the rock-bottom destruction and captivity to which we've been headed. That will fast-track the launch of the Millennium. If we adequately repent, then we'll no longer deserve the calamities predicted—which prophecies are based on us **not** repenting.

Once we adequately repent, I see us passing a Constitutional Amendment to Remedy Rigged Elections as well as one to Eliminate Socialist Welfare, as well as one to alter ^{the} President's term. So, Pres. Trump could be back in office in a few months, and stay there for a thousand years.

I elaborate on this as a theme in my book, None to One: Evoking the Repentance Clause of Prophecy, available as a PDF at IndComing.com.
