FIRE Emeritus 70, Elder Robins, spoke on receiving revelation. Story of Elder Packer, 12 giving him 30 sec.s prep. to teach 400 missionaries about receiving revelation. 2020 Church theme, "Hear him" (1820 First Vision anniv.) "The gift of the Holy Ghost is the greatest gift^s in life." Best thing we can teach kids is how to be guided by the Spirit. & I pointed out that

Ask	offer, our questions are guided by the
Seek	Spirit, spurring us to answers when we're
Knock/kneel	ready. He asked what the diff. is betw. doubts and questions. I said that d. come from below, whereas g.s spur upward to light. He especially liked my comment that "the slower you read, the faster the thoughts come." He said the Church tracks what the most "underlined" passages are. At first, it was Heb. 5:12 [ant. Rev. 13:27 & Dan. 7:21 reign of beast (because not built on rock)]; then 1 Ne. 3:7... Legrand Richards said "making annotations (during scripture study) is how we show acknowledgement of God's hand (in inspiring us)." Elder Rich Robins said "God is more interested in our growth than in our comfort."
