

Dream: Putin & Team Accept ChofFB Invite

Last night, I had a dream about Putin and his team accepting the invite to become ChofFB. I don't see this as a set-in-stone prophecy, but as a symbolic, contingent, probable future. I woke up at 5:02 am to record the dream in my journal.

The dream was set in a Mob (Mafia)-like sea port, industrial location in Russia (English speaking). I drove up in a beater-like, old station wagon. I then walked into a small, non-adorned room with Putin and some of his guys, to meet with him. He politely but dismissively said, "Not now." Though they had dismissed me, I didn't leave, and they didn't seem to mind.

The next scene of the dream had me driving away in the beater car on a snow-covered (~12 inches^{road}) with deep ruts, mountain up & down, back road, jeep-only type terrain that even a jeep couldn't traverse with the snow. Knowing that in normal circumstances, I could have never made it even a few feet on that road — with momentum being the only way I could go even a few feet, I proceeded in faith, and proceeded miraculously, with no problem. The Putin team saw that, via their surveillance, and were duly impressed.

The next scene had me back with the Putin team. I was teaching/hyping the "Ye are Gods" paradigm, with

the "all-in, synced up" prerequisite. They were following what I was saying and receptive, wanting to be part of it, resolving some initial pushback by some of them. That's when I woke up.

Putin wasn't present after the first part of the dream, but I would think that if his team is on board with this, he would be as well.

As for the symbolic elements, I see:

- The beater car representing the "weak things of the earth" (O&C 1:19; 35:13; 133:58,59; 50:16; 124:1...);
- The Mob-like sea port industrial setting representing the establishment corruption;
- Putin representing mostly-wicked heads of state and industry;
- Dismissing me politely, representing that they can see I have something good, but they're not yet ready to absorb it;
- Putin's staff representing the administrative state/corrupt establishment;
- The small, non-adorned room representing a humble setting, which is conducive to being receptive to spiritual teachings;
- My sticking around though I'd been dismissed representing my persistence in pursuing the r.c. quest;
- Their not minding my lingering, representing their respecting my persistence in this cause that is obviously good;
- My miraculously driving the beater car across an impassable road representing the Isa. 52:10 Lord making bare his arm [power] in the eyes of all the nations [by HMITF stepping

forward, launching the r.c., as depicted in N→O, which then interests the Putin staff now paying attention to my message and embracing it.

"7 Thus saith the Lord, the Redeemer of Israel
[H3478 he shall rule as God:-Israel"], and his Holy One, to him [e.g. me] whom man despiseth [none to answer; stone which the builders refused], to him whom the nation [U.S.] abhorreth [sex offenders are bottom of the barrel], to a servant of rulers [e.g. Putin symbolism in this dream], kings shall see [Lord making bare his arm/power] and arise [step forward, all-in, synced up], princes also shall worship [becoming joint heirs, ChOFFB], because of the Lord [incarnate] that is faithful [to r.c. quest (2 Ne. 28:32 even after being denied by his people, the arm of mercy is still extended if they'll repent)], and the Holy One [Isa. 41:26 none (to one) will say He (incarnate) is righteous] of Israel [Isa. 41:23 "that we may know that ye are gods"], and he shall choose [invite] thee [HMITF / ChOFFB = micro/macro bride], (Isa. 49)
