Concise Mission Statement (SOLID)

I composed the following variants for all 6 B2 sectors (384 inmates) to consider (proposed).

"We are an inmate-run therapeutic community that facilitates our becoming model citizens

by finding and embracing our unique missions in life, all-in, for good, synced up with divinity, working together as one. ③ Daily 9/2/24

Four-Word Mantra

"All-in, synced up"

More Concise Mission Statement

"We are an inmate-run therapeutic community that facilitates our becoming model citizens by achieving the 'all-in, synced up' ideal."

No one has contested the proposed mission statement, nor offered suggested changes, other than officer Nelson, who was the one who pointed out that the mission statement was a bit long, spurring me to composed these more concise versions. (9/5 1242p)
