It's blatantly obvious to me that Biden et al. stole the 2020 election win from Pres. Trump. It's just as obvious that the two senate seats in Georgia were stolen in Jan., 2021.

What amazes me is that no one in the Conservative talk show world ^{that I'm aware of seems to be} ever mildly suspicious about this. Why not?

The same election cheating mechanisms were in place — and used — for this crucial outcome. It enabled the Marxist Conspirators who are driving all this to ram through so much destruction of our nation since Biden's inauguration.

^{likewise} The 2022 primary ^{results} in Georgia are also obviously skewed.

We can correct this. It's another reason Sterling D. Allan, ^{For the "Amendment to Revivify I and Coming.com Rigged Elections" I propose} #GA Senate Stolen ^{In Appendix C-1 of my book, None to One: Evoking the Repentance Clause of Prophecy, available from I and Coming.com.}
