- ~~NTA~~ ~~Walt's~~ Kato Institute, VP (?): "Rent control" (2)

- "Walz was sleeping with nanny" - Glenn
- JD (guest) "Dems running on collective amnesia" [not forgetfulness, but confident in their ability to control the mainstream media narrative to cover up whatever they want]  
"We're willing to take campaign to hostile press."
- Ken Paxton (guest, TX A.G.) Investigating reports that Dems are trying to get illegals to register to vote. Non-profits registering illegals for driver's license, then automatic voter registration, "motor-voter"; giving SSN. It's illegal; "They want to fix (rig) the election." [Warning] "If you participate, you can go to jail for a long time. If you vote, and we catch you, we'll prosecute you." Only 3 states (not TX)

have laws that require proof of citizenship.

③ Daily 8/22/24

14% non-citizens admitted to being registered to vote. Mail-in vote = major cheat mechanism. DOJ [Marxist-controlled] trying to stop AZ enforcement of citizenship. Goal: create unstable voting system. They select both Dem & GOP candidates. "Would not surprise me if NY judge puts Tr. in prison."

Glen: "If Tr. wins, Dems will set country on fire" [unless we evolve<sup>+</sup>]

- Tucker Carlson (guest): "On deepest level, there is a conspiracy. Allowed Tr. to get shot [wanted him dead]. A manifestation of spiritual war. This is [could be, if no repentance] the end of a civilization. I'm not a model of Christian principles."

• Scripps <sup>Fit</sup> Check-Fit A [Christian] developing fam.-friendly streaming service. [+]

- JD (in Valdosta, GA ~~ally~~): "This is the last chance to save Am. If we don't do it now, we're going to lose it." Q. Dems say Tr. scuttled best border bill. A. "I was in senate as that was discussed. It codified Biden's border (nonsense) (craziness)."

Q. Kanala should answer (e.g. media questions). A. "Yes. It's a most important job interview."

- Clay & Buck Tr.: "I'll re-hire, with back-pay all vets let go for (COVID vax refusal)"

• DW Uk wants Kursk as 'buffer zone' to stop further incursions by Rus. into Uk.

- Scripps Tr. visits S. border w/ families effected by immigrant crime.

## DNC, Night 4

<Note: I moved, and my TV was unavailable until ~11:30 pm; Gratefully, because Scripps replayed the DNC highlights, chronologically, I was able to catch maybe 3-4 hrs.>

- Kamala's niece: How to pronounce her name: ④  
"Comma [1] lah" [Thanks!]
- Gretchen Whitmer (Gov. WI) "Kamala is tough, tested, total <sup>badass</sup>"
- Kinsinger (Fmr. Rep., IL) [FRIEND, total establishment]: "The Dems are just as conservative as us" [Propaganda to middle, trying to paint Dems as loving country, flag-waving, "Usa"-chanting patriots, when what they're celebrating is the Marxizing of Am.]  
"Tr. has <sup>suffocated</sup> the [Marxist] soul of Am."
- Kamala Harris (video prelim: Mom: "Stop complaining. Tell me what you're going to do about it.") [Good/Excellent advice to grow up with. Unfortunately, with her Marxist dad (& mom?) her "doing" was directed/molded in that direction/objective.] (< 3 min. applause)  
[Audience is so grateful to have a talented Marxist puppet.] "Happy 10<sup>th</sup> Anniv., Dougie." [That is a remarkable synchronicity.]  
"Dad: 'Run, don't let anything stop you.'" [That's also good advice but needs the caveat/stipulation of being directed by God.] "Mom taught us we could be & do anything." [Good <sup>God</sup> advice, but needs to be directed within God's guidance (personal)]  
"Don't do anything half-assed." [all-in; needs to be matched with "synced up"] "Everyone has a right to safety, dignity, justice." [while these are important objectives, they are not inalienable rights. Marxists like to promise things but end up destroying <sup>them</sup> by their policies.] "A harm against one of us is a harm against all, we're all in this together." [Is a principle of the body of Christ. We are interconnected, The problem will be in the definition of "harm," where they turn everything up-side-down.] "Court (introduction, when prosecutor): 'Kamala Harris for the people'" [which she gloried in because of it's Marxist slogan ring, "Power to the people."] "On behalf of 'the people,' I accept your nomination" [ditto]

"Tr. sent an armed mob [not] to the capital."

⑤ Daily 8/22/24

[So exaggerated, but doesn't seem so, to the hyped crowd which has bought into the propaganda — that they helped spread, knowing they rigged the election, most of the crowd having directly participated in that (actual) insurrection.}] "Tried to throw away your votes." [After all that effort of the Dems to cheat <sup>most</sup> Everyone there ~~was~~ knows that.] " (Tr. could likely [according to her propaganda] deploy military against own citizens." [= projection — what Kamala would be extremely likely to do]. "Not going back" [from Marxist gains] /evil]. "We will create an opportunity economy" [Marxism does the opposite. Only those running things rise.] "We'll pass the John Lewis voting rights act." [cheating codified] "AI leadership" [including using it to promote the Marxist agenda and put down the patriots/Christians]. "5 days before Rus. invasion, I met w/ Zelinsky; got coalition of 50 nations" [she was only present as a puppet for all the other establishment conspirators running things.] "I will [not] stand up for Israel's ability to defend itself [Only if they do things acceptable to her pro-Palestinian bias (from the river to the sea)]. "In America, anything is possible" [sounds like Tr., except he means it and knows how to facilitate it. (should be within parameters of righteousness; AF 13)] "More in common than what separates us." [Nice sentiment, but presently, the ~~extre~~ extremes of the two sides have become diametrically opposed. Only repentance can heal this divide.] "None of us has to fall so another can succeed." [Nice sentiment. Contradicts "existential threat" depiction they've been touting against Tr. & Christian patriots/MAGA, which is their true sentiment.] "Freedom, compassion... endless possibilities" [mean opposite things to opposite sides.]

"Write next chapter in the greatest story ever told." (6)  
[is a great line - Trumpesque. I believe ~~this~~ this is indeed fitting - if we'll repent as a people. What the Marxists have in store is hell on earth.]

- Scripps commentary: "Her story makes history." [It was well-written (by Obama's speechwriter) and well-delivered, and well received by the crowd. It will lure <sup>some</sup> non-discerning voters who may be uncomfortable with Tr. (mainly for unfair depictions of him by MSM; as well as by ~~his~~ by his own <sup>occasionally</sup> abrasive approach)]
