

The Ultimate Cause

Hello Tudor,

11/24/23

I was impressed with your performance on Clay & Buck's show, ^{today,} which I was able to catch most of. Far better content than Clay & Buck. ☺ I enjoy your bravery in probing difficult / important subjects via the guests you have on. That's how I ran my Free Energy News radio / podcasts, etc. ^{you'd} appreciate the quote I had at the bottom of many of my sites: "He who is one step ahead is a genius; he who is two steps ahead is a crack pot." - Rabbi Shlomo Riskin.

Before I get to what I wanted ^{to} broach with you, along the lines of pushing the envelope, I'm convinced that Buck Sexton and Glenn Beck are both extremely skilled controlled opposition. They are a much-respected voice among conservatives, but on key points, they re-enforce the Conspirator's ^{narrative} key points, especially (A) saying Trump didn't win the 2020 election, and (B) contradicting those ~~etc~~ (like me) who claim that (prove) that 9/11 was an inside job. ^{Modern buildings (e.g. WTC 7, not hit by a plane) don't fall at free-fall speed (demolition, classic profile) without help (e.g. nano-thermite} ~~mite~~ found replete in the dust - ~~at~~ Dr. Steven E. Jones, my friend) from the inside (deep state conspirators). They ~~are~~ (Buck & Clay) may have you in their network to help control you, hold you back from what you're capable of / destined to do.

One of the main tools of Satan is his lie, "I am no devil, for there is none." (2 Ne. 28:22) i.e. "There's

(See my profile at CoastToCoastAM.com, where I was a guest 8x, including with George Noory once.)
Four hours with

(2)

no conspiracy. The elections were clean." B.S.

Not only was ^{there} ~~their~~ massive election fraud, but Google and Social Media, leading up to the election, had major ^{Pro-}Marxist, anti-MAGA algorithms to steer people's thinking/inclination away from excellent candidates like you. You absolutely should have won. That's treason on their part.

I can pretty much guarantee that Buck Sexton and Glenn Beck don't talk that way. It's not because they're not as smart as me. It's because they're playing for the other team. They're both brilliant. At least with Glenn, he's very good at pretending to be sincere. Buck reeked of CIA mind control. I have a hard time listening to his show. You were such a breath of fresh air today.

<11/25>

Perhaps by the time you receive this letter, you will have finally received a mailing via my friend Mary Young (who has been scanning my articles to PDF and posting them to ~~IndComing.org~~, which she created for me, though she's never built a website. Though a liberal (in good sense of the word) ~~Dem~~ Democrat, she thinks I deserve to be heard. She's the mother of an inmate I met a couple of years ago.) At the end of October, I mailed a piece for her to mail to ~20 key religious-political leaders including you, Ted Cruz, Matt Gaetz, Pres. Trump, Jim Jordan, MTG, etc. It's titled, "ASCII Sum of 'Mike Johnson' (= 'Nancy Pelosi' = 1157: Antonyms, Ramifications." She had it uploaded to the site ~~not~~ right away, but has been a bit slow on getting those in the mail. If you've not received ~~the~~ it

(3)

yet, you can download it from "Blogs" on my site. It's dated 10/28, the day after Mike Johnson became Speaker. Please read it now if you haven't already.

This is one of the most convincing examples of the power and value of the ~~A~~ Alphabetics (AB) code I discovered in March '96. I've found on the order of 100k correlations between ancient ^{inspired} text (scriptures) and ~~current~~ modern people, places, events, etc, naming the Who's who, what's what, when, why, where, and how of the great and marvelous work of the Father (& Mother) in these end times.

I've been utilizing the ASCII code (computer keyboard character numeric value turned to binary) for about a decade to then look up those string sums in AB. I'm absolutely convinced that this is a divinely ordained methodology that I've been ~~fore~~ordained to bring forward to ~~unveil~~ unveil a magnificent message of God for our day. My 8/14/22 editorial, "Core Remedy = Repentance" is the root essence of what is needed. Another piece that is auxiliary to that is my 3/16/23 editorial, "The Ultimate Movement: Finding and Fulfilling Your Life Calling." Those two pieces relate to the title I selected for this letter to you: "The Ultimate Cause."

enclosed

I believe that this ~~meth~~ AB⁺ methodology I use is consistent with many prophecies, e.g. Isa. 46:10, "declaring the end from the beginning," or using ancient ^{text} scripture[^] to encode the end times in exquisite detail. (See also Eccl. 3:15; Isa. 48:3^{6,7}, 9, 10; 41:21-23, 26.)

The AB phenomenon is not limited to scripture-based text but shows up in other inspired works, including some English

(4)

dictionaries, which represent the inspired wisdom of humanity today. It's never done intentionally but is something God inculcates as part of his/her ~~omnipotence~~ omniscience. It's part of inspiration.

My favorite place to go first, when I'm ~~so~~ looking up a number in AB is WDT (Webster's Dictionary & Thesaurus, Copyright © 1997 V. Nichols; ISBN 1-57755-017-X).

Yesterday, while listening to you on KNRS 105.9 SLC, I had the impression to look up your name in AB. OMG!
~~It~~ It's huge—as big as it gets.

Before I show you what I found, I should say that one of my driving motivations in all these studies is to find Heavenly Mother incarnate: ^(AMITF) She's here somewhere, veiled from herself and from others—just like everyone else. See my ~~endnote~~ 8/20/22 editorial, "We're All Called to Be Immanuel."

I've looked up many female names, wondering if ~~she~~ they might resonate with this role. Most do have strong resonance. One of the strongest was Kari Lake. I wrote quite a few ^{editorial &} blog pieces along those lines, starting with my 11/7/22 editorial, "Kari Lake Depicted in Isaiah 41:25." But I never got a response from her or her team.

The premise of my book, None to One: Evolving the Clause ^{Repentance} of Prophecy, is that the primary ~~sw~~ light switch-like change of society's trajectory from "off" (heading off the cliff to rock bottom collapse because of wickedness) to "on" (averting that destruction, and going straight to the kingdom of heaven on earth) is flipped by AMITF

(5)

stepping forward to embrace this role, ~~all-in~~ all-in, synced up — as a type and shadow of millions of others becoming joint heirs of Christ by embracing their unique role in the body of Christ and syncing up with intuitive/divine guidance in all they do, ^(2 Ne. 32:3, 5) especially in carrying out their specific role. When they do that, all the divine gifts ~~are~~ become accessible to them (See N→O, Appendix A-1 enclosed Church Mission Statement).

~~Before~~ As long as "none to answer" (this invitation) holds true, we'll get what we're headed to — worst situation humanity has ever encountered (Dan. 12:1; Matt. 24:21). But if you're open-minded and carefully consider what I present, you'll be convinced and can then fully embrace this mission; and your stepping forward ~~will~~ will avert that ~~destrai~~ destruction to which humanity is headed at present.

Yes, I realize you're married, probably ~~trappily~~ happily, so how does that possibly work? See pp. 143-7 N→O "Righteous Marriage Realignment" section. Your husband will need to be on board with this baton pass, unprecedented at this point. In living 1000 years through the Millennium in youth-restored bodies (Job 33:25) we'll ~~no~~ want to be with an ideal partner/mate, not just a good match. Ditto him.

Before you read what I've found on your name, ^{at least} ^{enclosed envelope} I ask that you ^{first} read the first ~200 pages of N→O to give you an adequate awareness of my paradigm and evidence supporting it. The book starts getting a lot

(6)

bogged down thereafter, (I enjoyed writing it, but unless you get "in the zone" reading it as well, it gets tedious. But "in the zone", it's great stuff. ⁸) — speaking of divinely-anointed material.)

I'm putting what I found looking up your name in a separate envelope herein so you'll be shielded from its contents until you read what I've suggested above. Un-institiated, seeing excerpts could be alarming to you. But once you have the needed/prerequisite material, you'll be ready to read it and be astonished.

As a quick teaser, it juxtaposes "Michigan" with this calling, tied to your name, throwing in the word "microphone" to depict your public persona, e.g. taking Clay & Beck's Golden microphone so well yesterday.

After you've read all of this with an open mind and a prayer for discernment, receiving confirmations of the Holy Ghost as you believe the goodness of what I propose (Ether 4:11),
① I'm looking to you to ^{③ and to} have Mary post this material to my blog) where you can ^② promote it to your circles of influence, ^④ to flip that on/off switch "on". That's why I format the enclosed as a blog post. (I think this present letter should be included as well.) And, of course, I'm looking forward to hearing back from you, get your phone number so I can get it approved to make calls. You can sign up for visiting via www.corrections.utah.gov/corrections/visiting You and your husband will need to apply ~~to~~ together (on the form) since you are married.

7

Your VIP status can be utilized to get a special visit with me, without going through the above path. I've had two visits from UT-ser. Darrin Owens. Each time, ~~but~~ he had an escort of five officers: like a captain, two lieutenants, someone from the warden's office... The first time he was escorted to my cell at Dog Block, and we talked in the hall. The second time, we ^{privately} met in a room in the corridor of Bear-1 with the officers outside the door. You might call him to ask how he arranged those. Both visits were about ten minutes. The regular visits, on the other hand in contrast, are ~~in~~ two hours. Video visits, which would make more sense, logistically, are just half an hour. You have to go to the website, find an opening (I'm housed in "B-4" Bear-4), then sign up for a ~~comp~~ workable opening. They post a notice of upcoming visits each day (when applicable) in our section.

With your guntron, I bet we could do at least a 30-min. VIP visit, if not longer. On July 10, 2018, I met with the deputy warden for 1:15 hours. Now he's the warden. I told him about the ~~s.c.~~ ^{scenario.} He didn't think it would happen but said "that would be nice."

Sincerely,

Stefling

p.s. The envelope art was done by my buddy, "Angel".
