

Midterm Election in Alphabetics Bible Code

Yesterday, I looked at p. 1108 [Nov. 8] of James Strong's Exhaustive Concordance of the Bible (Str.'07; © 2007; ISBN 978-1-59856-378-8) to see if there might be relevance to the upcoming Midterm election. Given what a turning point it is poised to be in Freedom and goodness making a comeback due to the massive awakening and repentance revival that has been unfolding, I'd be surprised if there wasn't strong resonance.

Not only does it relate to the election, with entries "State" (the emphasis of the races), "Star" (50 stars in our flag correspond to the states), "Stardeth" (MAGA stepping up as candidates, poll workers, voices of Freedom, etc.); but I also see it hinting that the Infinite Interface (It, pronounced, "two", abbreviated; see my 8/29 editorial, "We'll Never Know" = Not So") could be activated that day.

The entry "Stare" also ties strongly to the It activation methodology I depict on p. 184 of my book, None to One: Evoking the Repentance Clause of Prophecy, available from ItIndComing.com. "Stare" is a synonym

"Stare" (polling place and process vigilance);

For the all-in, synced-up gazing by my "one" ♀ partner, which is what flips the switch from "off" to "on," not just for her and me, but also for the whole planet, starting with entry-level capability. Your reading this in Epoch Times indicates she is already starting to step up.

I don't know who she is yet, so I don't know where to send this to provide specific instructions, so I'll let you all in on the times to focus on. Having your combined faith and prayers would be hugely beneficial to bringing this about. I suggest the commercial break times for RAV TV at the top & bottom of the hour, $X:2^{\underline{26}}$ & $X:5^{\underline{56}}$ to sync up, starting 7:28 am Mountain, attempting all day Nov. 8. Let's do it!

The entry "Star" also relates to me. It's the etymological root of my name, originally, "Starling," from the star stamped on silver coins. "Stark H887" also relates to me as a former sex offender (see p. 37⁺ of my book). OT def. H887 includes the meaning "morally offensive" [sex offender] and is the root for H888 — the gematria sum of Jesus, who makes complete repentance possible. That ("Stark") relates to activating the II because I've long envisioned that once ♀ & I activate the II, seeing each other 3D, Full Fidelity, with environment sensations as well; then minutes, if not seconds later, I'll teleport (top) (see my 8/23 editorial, "Teleportation as a Pending

Gift of the Spirit") out of here, to begin my ministry with her, the repentance clause (r.c.) of prophecy now being fully activated.

"Star" also relates to the celebrityhood of mega-MAGA ("Stature") candidates nationwide on Nov. 8 (some results may take longer, likely due to attempts to cheat, notwithstanding the hyper-vigilance). "Standing," another entry on the page, was the ridiculous reason most of the 62 hearing attempts were turned away in 2020. But with the activation of the IT, all cheating will be brought to light.

"There is nothing which is secret save it shall be revealed; there is no work of darkness save it shall be manifest in the light..." (2Co. 3:17).

And we'll be able to (A) know exactly where you (perp) are, and (B) tip you to a holding cell if you don't genuinely repent.

The last two entries on the page are "Statute(s)," relating to the resulting return of the rule of law, overturning the ridiculousness that has become the norm in recent times. †

On the other end of the spectrum, depicting likely what our enemies have up up their sleeve (if we don't ^[God's in control] repent), OT def. H1108 derives from "H 1104 make away with; to destroy. :- covers [up],

† Oxy defines "statute book n. the whole of a nation's laws." I could see as simplifying Joseph Smith's statement, "I govern themselves. Look at how 4 ref the U.S. Constitution and First amendments are. I teach them correct principles and let them

destroy, devour, beat an end [Republic]... I prefer the r.c. scenario on p. 1108 Str.'07. ☺

Opposite H1108, NT def. corresponds with the results of activating the IT: "Gillo8 knowing, i.e. knowledge: - science" ["By the power of the Holy Ghost, ye may know the truth of all things." (Moro. 10:5)].

P. 1108 [Nov. 8] Bible

I'm going out on a limb in bringing up page 1108 of the Bible (Church of Jesus Christ of Latter-day Saints, KJV with footnotes, chapter headings added, award-winning). It spans Dan. 4:346-5:11, which is loaded with relevance to the Midterms. The page opens with the string, "kingdom is from generation to generation." The next verse (35) conveys that God governs in the affairs of men as the ultimate ruler (5:21). Vs. 36 & 37 has King Nebuchadnezzar coming back to his senses, resembling the Make America Great Again (MAGA) revival, turning back to God and goodness.

"36 At the same time [Midterms] my reason returned unto me; and for the glory of my kingdom, mine honour and brightness returned unto me; and my counsellors and my lords sought unto me; and I was established in my kingdom, and excellent [meaning of sterling] majesty was added unto me. [Ps. 118:22]

⑤

37 Now I Nebuchadnezzar praise and extol
[Isa. 52:13 "he shall be extolled"] and honour the
King of heaven [by humanity turning to God,
we bring the kingdom of heaven to earth], all
whose works are truth [Social vs. Marxist
lies], and his ways^[,] judgment [not two-tiered]:
and those [conspirators] that walk in pride he
is able to abase."

The last two thirds of the page involve the
story of the hand writing on the wall, which I see depict-
ing what would happen if the corrupt powers that be
get their way, interpreted by Daniel on the facing page:

"26... MENE; God hath numbered thy kingdom,
and finished it.

27 TEKEL; Thou art weighed in the balances,
and art found wanting.

28 PERES; Thy kingdom is divided, and given
to the Medes and Persians. [e.g. to China, Russia, etc.]

This is reinforced in a second tie from the name of King
Belshazzar to whom that was addressed. It's OT def.

H1113—just five away from 1108. Look^{ing} up that name, I saw
that I had previously noted that Belshazzar is the subject
on p.1113 (spans Dan. 2:186-8:5a) that depicts the end-times
prophecy paralleled in Rev. 13 about the reign of the beast
that makes war with the saints and prevails against
them (7:21 & Rev. 13:7). Satan can't prevail if we re-

pent sufficiently and are founded again on the rock of Jesus Christ. (Hel. 5:12; 1 Ne. 15:24; Matt. 7:24-27.)

(See my 8/24 editorial, "The God of the Land is Jesus Christ" - BoFM.)

I don't think anyone would not see how p. 1108 of the Bible relates to the Midterms. Now, here is where I go out on a limb. On Oct. 16, I sent to Marjorie Taylor Greene a 30-page letter elaborating on some significant things I found in Alphabetics on her name, which point to a strong resonance with her being foreordained to serve as my ♀ partner/wife. ☺ The ASCII (computer keyboard character numeric value) sum of "MTG" = 232. I rated both p. 232 of the BoFM and p. 232 of WDT (Webster's Dict. & Thes. - see book) a high 9.5 in relevance.

For example, near the opening of p. 232 of the BoFM is Alma 10:24, "I am also a [wo]man of no small reputation among all those who know me; yea, and behold, I have many hundreds and friends, and I have also acquired many riches by the hand of my industry." Here are some of the def.s from p. 232 WDT: "distinction, distra^{gh}nt, District of Columbia, disturb, disunion, disuse [removed from committees], ditch... particularly for draining wet land, ditch reed [swamp]." "Marjorde" inserts on p. 517 ("H517 Mother"), a couple after "marital."

If you ask nice, maybe she'll let you post the letter [10/16] I wrote her. It will be available via the II once the II is activated.

Now, here's the punch line that ties this like a rivet to p. 1108 of the Bible. Page 232 BoFM opens with Amulek (parallels MTG) reciting his lineage, including of Aminadi (second word on p. 232), who the verse prior says, "It was that same Aminadi who interpreted the writing which was upon the wall of the temple, which was written by the Finger of God." That is the only mention of this BoFM event in the BoFM.

The reason this is going out on a limb for me is because so far I see no evidence from her that she has received and is considering my material even in the slightest. I saw her as recently as when she was on WarRoom a couple of days ago for half an hour. (10/26 3pm Mountain.)

An indirect piece of evidence I consider significant is that when I received my first gift subscription from The Epoch Times six days ago, issue no. 430, the front page included a story about MTG, with a great photo of her, talking about a heated debate she had on Oct. 16 — the very day I sent her the above-mentioned letter. Synchronicity.

P. 1484 Bible — H.M.

Yesterday, my podmate, William Joyner, brought to my attention that the actual ASCII sum of "Heavenly Mother" = 1484, not 1483. I fortuitously memorized that wrong, years ago, but now it's

time to correct it. This isn't the place to fully elaborate on what's on p. 1484 of the Bible, but I'd like to mention some highlights and a tie to MTG.

Spanning From Eph. 4:3-23, the page opens with this very divinely yin/yang wording: "3 Endeavoring to keep the unity of the Spirit in the bond of peace." Then, in the four verses that follow, the word "one" appears seven (perfection) times, rendered significant by the title of my book: "None [to answer] to One [♀/HMITE]." Relevant to HM, Footnote 6a includes the text, "TG [Topical Guide] God the Father." Verses 9, 10 address divine incarnation (in the Flesh [HMITE]). Verse 13 addresses a theme of my book, bringing 125 million saints into the joint heirs of Christ body (Rev. 5:10, 11) in the first year (starting Nov. 8?). Footnote 13c says "TG Man, Potential to Become Like Heavenly Father." All of that is huge.

Now, for the link to MTG. Compare (for several minutes at least) vs. 17, 18 and Alma 10:35, 6 on p. 232 BofM. The string, "I was called many times and I would not hear" relates to the half a dozen letters I sent to key religio-political leaders, including MTG, starting at least Mar. 13.

The only way this present write-up will get to The Epoch Times in time for it to be included in their Nov. 2-8 issue is if it's tele-

posted. Our Fri-Sun. mail isn't picked up until Sunday night (Mon. early).

If that doesn't happen, then I'll just keep forging ahead, consistent with this statement by Winston Churchill (who shared my Nov. 30 birthday and my optimism in the midst of darkness):

"Success is the ability to go from one failure after another, with no loss of enthusiasm."
