- Ground Zero Clyde Lewis talked about a 1800s body (4)
 "The Last President" that prophetically depicts Tr. (Clyde is anti-Tr), giving the NY address "725 5th Ave." (Tr. Tower) — about a century before it existed. Names are of his associates as "Perce". Clyde gave background of Mar-a-Lago, established by Marjory Mary Post (cereal fortune), "wanted it to be a presidential retreat for some future president." ^{"A winter White House"} Clyde says the term "Plus Ultra" is found on many tiles. Clyde thinks the location is tied to time travel developed from Nikola Tesla's papers. A vortex.
- A caller pointed out that 7/13 (Assass. Attempt) was day 1 of this year's Bolderby [or was it Bohemian Grove?] conf. [As for 'Last President', that fits my paradigm depicted in $N \rightarrow D$ that Tr. serves as US Pres. through the Millenium] — Aftermath. media (Clyde's site)
