In his Nov. 3 rally in Sioux City, Iowa, Pres. Trump said he will "very, very, very probably do it again," which was answered by a thunderous roar and applause. He then said, "Get ready."

I see a realistic scenario (by outside-the-box measures) by which he could be restored to the presidency perhaps as soon as even just a couple of months. One key is passing an amendment to repair rigged elections (Appendix C-1).<sup>9</sup> No, society today is not ready to pass such a thing. And you might not think passing a constitutional amendment in such a short period of time is realistic.

The prerequisite key to bringing that about is to do a mass 2 Chron. 7:14 prayer event, in which a sufficient core of society humbles themselves, acknowledges their sins, turns from them; and this is answered by a Pentecost-like outpouring of the Spirit of God, rendering a mighty change of heart, as prophesied e.g. in Isa. 66:8; Zech. 3:9; Jer. 31:33, 34.

I elaborate on this in detail in my new book, *None to One: Evolving the Repentance Clause of Prophecy*, available from [IIndComing.com](http://IIndComing.com). It's also touched on in the book announcement piece at the opening.

I'm fully confident we can do this. The awakening and repentance revival that has been unfolding extrapolates to this outcome.

The reason I bring this up is to point out that getting ready should entail the following: (A) Getting the administrative contingent selected and prepared and even implementing as much as possible; (B) Preparing all the evidence for the stolen election, both synopses and full body of receipts; (C) Get the Amendment to Repair Rigged Elections ready to go; (D) Get the House and Senate ready to work in league with Pres. Trump; (E) Work to turn right-side-up what is up-side-down in your own area of specialty / God-calling.

The defeat of the Marxist conspiracy covers the full spectrum of societal structures that it has been infiltrating from the beginning. Our repentance will manifest a complete cleansing of these societal structures, both in breadth and depth.
