On 10/27, I wrote an editorial, "Midterm Election in Alphabetics Bible Code." Then, on 12/17, watching Real America's Voice (RAV) TV's coverage of Charlie Kirk's massive AM Fest conference in Phoenix, I heard something that is super significant, which I addressed in that editorial piece. An Arizona official said that Kari Lake has been acknowledged as having "standing" in her election suit that is presently in process of being heard. Most of the 2020 election challenges were rejected from being heard, allegedly for not having "standing" (a judicial cop-out). So this is a huge development.

In Strong's Exhaustive Concordance of the Bible ©2007 (Str.'07; ISBN 978-1-59856-378-8), page 1108 [Nov.8] is filled with prophetic resonance with the 2020 Midterms. In hearing this news about Kari Lake having standing, I remembered that the "Standing" entry is on p.1108 of Str.'07.

In looking again at that page, I realize that not only does it relate to the Midterm election, but it relates especially well to Arizona, as epitomized by Kari Lake. The "Star; State" entries are strongly relevant to AZ and its Flag. Many state flags include one or more stars on them, but none are as prominently featured as on the AZ Flag.

Again, briefly, alphabetically, here are the entries on p. 1108, with [comments] tying them to the Midterms, and AZ, and Kari in particular. "Standest/Standeth [taking a stand, MAGA]; Standing [discussed above]; Stank [Maricopa disenfranchisement; Dominion skewing; co-mingling of ballots; 300k+ ballots w/o chain of custody; bogus signatures]; Star [(A) 50 states; (B) AZ]; Stare [observers, (hundreds of) affidavits, whistleblowers]; Stargazers [AZ election observers]; Stars [ditto Star]; State [Midterms primarily for state offices and state representation]; Stately ["dignified, grand, or impressive" (Ox4), exemplified/epitomized by Kari]; Station [(A) position/office; (B) "3. a broadcasting company" (Ox4), e.g. Kari 27 years as anchor]; Stature ["2. a person's reputation or importance" (Ox4), e.g. Kari's Station Stature]; Statute(s) [rule of law; not arbitrary, groundless woke]. "God is in the details."
