Chapel Activities

If you like what you see here tonight, don't forget to grab a clearance sheet and sign up to attend chapel activities. We offer much more than just one faith option, and many of the chapel activities are not religious at all. In addition to religious classes, you can get into music and crochet, and all at your own pace. So, grab a friend and grab a pen. Come see us here at the Bear Highside Chapel. With a little practice, we'll see YOU up on stage in the next talent show.
