

Bear Highside.

Don't Forget that the LDS Bear River Branch Presidency and volunteer team has been kind enough to be here seven days a week so that we can have time for music practice. They don't get paid. They take time from their actual lives out there to break INTO prison to hang put with us so that we can do things like this show.

Also, let's always remember Benjamin Norman, better known as Doc, who would have been in this show. So long to you Doc, and to all our friends we've lost here this past year.

So crank up the volume to 11! This next song's for you guys!
