Whereas Marxists (and similar ilk) seek to overthrow the freedom of all lands, nations, and countries

[Ether 8:25]; and

Whereas Marxists bring to pass the destruction of all people [ibid.], posing a clear and present danger to civilization [Dan. 12:1; 7:21; Rev. 13:7;

Matt. 24:21]; and

Whereas Marxists are anti-God and devine direction, undermining the spiritual foundation of righteousness that is required for a free society [Ether 2:12;

Alma 48:10; John 8:36; Gal. 5:1; D&C 98:6, 8; Mosiah 5:8];

Now Therefore, let us be sure to root out all Marxists (and similar ilk) from government, top to bottom, and from every sector of influence in public society, making them ineligible for public office, including all levels of the three branches of government and the myriad of departments and agencies for its administration and implementation; and making the putting into effect of any Marxist agenda a felony, resulting in incarceration until genuine repentance.

Context For Implementing this Amendment

No, this is not something that would be considered in the world today. It requires the prerequisite 2 Chron. 7:14 Prayer Event that I elaborate on extensively in my book, None to One: Evoking the Repentance Clause of Prophecy available from IIndComing.com. That event (that could happen a few weeks from now) brings about a global mighty change of heart (Isa. 66:8; Zech. 3:29) of a sufficient core of society to change our trajectory from being on the brink of rock bottom collapse to going straight to the kingdom of heaven on earth. This amendment is proposed for implementation early in the transitional "acceptable year of the Lord" following that Prayer Event. I see it being an important part of binding Satan to have no more power over the hearts of the children of men (2 Ne. 30:17, 18).
