- ^{6a} **Scrapps** Baltimore port channel open again; \$100 mil (2)
- EU shift to right attributed to anti-illegal immigration, anti-elites, global warming extremism [-Beck 6/12]
- Likewise, illegal immigration is Biden's weakest issue.
- X₂ 10tol under health scrutiny. So sweet it creates craving, resulting the opposite effect: overindulgence. "0 cal. ≠ healthy"
Real sugar is not bad in moderation.
- ^{2a} **NTD** FBI report shows big drop in violent crime [gaslighting]
Due to Dem. not prosecuting crime, reports are down

T. ^{2215a} **Scrapps** Hunter B. jury verdict reached: guilty on all three charges in Fed. gui trial. [So obvious that even rigged jury couldn't give him a pass.] [But this matter is a distraction from far more serious issues of Biden family "sucking in millions selling our country out" - Beck/Tr. 6/12]

- **Beck** "Biden will pardon son once election is over." - Glen (comedian)
- **Jamie Kollstein** (sp?) about his (liberal) conversion to Jesus and being torred by difficulties: • as athlete, he broke his hip playing duck, duck goose in church activity; • after getting married, he lost his house.

Shows

- (8.5) **FBI** - Bulgarian (?) ♀ trafficking stopped. Corrupt terms of getting info, letting evil people off hook for ^{disclosing} trafficking.
- (6) **FBI Most Wanted** kidnaping of U.S. debate students & teacher. [Unbelievable plot. Not Dischowitz's best.]

Movie

- (9) "Roman J. Israel," ^{Essy} Activist progressive savant atty. [Lays groundwork for what became BLM, Antifa ^{protests} violence against George Floyd death in 2020. I rate this a "9" not because I agree (I don't) but because of the excellence of portraying an important figure in U.S. history (decline).] I do agree with the value of bringing reform to plea-deal assembly line. [Beginnings in earnest of leftist lawfare.]
