T One on One with Pres. Biden NBC, George Stephanopoulos

Q Pattern of decline, more frequent, more severe, more worrisome. Are you frail? A. "No"

Q Have you had a cognitive test? A. Every day I'm demonstrating cognitive ability. [wouldn't it be]

Q. Same question. A. No one has said I need one [Huge lie]

Q. Can you serve 4 more years? A. Of course

Q. Are you being honest (in reading the poll + data and trends) that you can beat Tr.? You barely won in 2020, and you're further behind now (losing the popular vote by several ^{points} ~~digits~~)

A. I don't think there's anyone more qualified [to be a good puppet for the establishment, e.g. Obama] than me. Tr. is a pathetic liar [= projection]

Q. WaPost: Assembling a group to get you to stand down. Not hypothetical. A. [derail]

Q. I don't think you want to play the crowd size game. Tr. can draw a big crowd. Prevailing ^{Dem.} sentiment: You've done a great job, they love you, but don't think you can win. Want you to leave with grace, A. [derail]

Q. 36% approval rating doesn't get re-elected.

A. That number is not correct

• NBC Commentary: Nothing in this interview that calms Dem. nerves. Unaware he's in a dire situation.

I might reconsider
I might come down,
Biden: "If the Lord Almighty come down,"
