In the season of the ^{anniversary of the} globally demoralizing Afghanistan withdrawal, I'm reminded that I have not heard anyone properly label it for its severity. It's not incompetence. This administration is a Trojan Horse whose Marxist agenda is to destroy Free America.

Remember, the catastrophic withdrawal left behind \$54 (?) billion of mostly quality military equipment, some of it top-of-the-line (e.g. night vision goggles). They also unnecessarily gave over Yaglam (sp?)^{air} base, which is now in the hands of the Chinese. All of this is aiding and abetting our enemy. No, the Chinese are not technically wartime "enemies," but they should be officially classified as enemies, seeking our destruction, and actively using a wide spectrum of tools to weaken us for their ultimate triumph.

This should be among the articles of impeachment of Biden when the Republicans retake the House. Also, the involved military
