Benjamin Netanyahu to Joint Session of Congress

"When we stand together [w/ God], we win, they lose."
 Recounts 10/7 attack atrocities of Hamas. Acknowledges / honors released hostage and 4 soldiers. "They shall rise like Lions" - Bible. Many protesters sound like Hamas. They should be ashamed of themselves. Iran is funding some us protesters. "Gays for Gaza" like saying "Chicken for KFC." Israel - where David & Solomon ruled. It's always been our home [except when scattered until '47], and it will always be our home. UN: "Israel deliberately starve Gaza" is a lie. We've had 40k aid trucks. If there isn't aid getting to Gaza, it's because Hamas is stealing it. "Deliberately killing citizens" = another UN

✓ [liberal] lie. Hamas does things to en- ⑤ Daily 7/24/24
danger civilians, saying Gazans 'excel at being human
shields' (as if they choose that), "For Israel, every civil-
ian death is a tragedy. For Hamas, every civilian death
is a strategy." Vast numbers of Americans haven't bought
these lies. Israel has implemented more precau-
tionary measures than any other country - more than
international law requires. We have the lowest ratio
of civilian to military deaths ever. We get civil-
ians out of harms way [the best they can]. We should be
commended [not called killers/genociders, as the abor-
tionist/liberals call them].

Iran says, "We will export Islamic revolution to
entire world." Am. is the primary obstacle. They see Am.
as their greatest enemy. Their main/real war is with
America. Must first conquer Israel. Thus, they chant,
"Death to Israel, death to Am." When we fight Hamas,
Hezbollah, ... we're fighting Iran.

We're not only protecting ourselves, we're protecting
you. Our enemies are your enemies; our fight is your
fight; and our victory will be your victory. Is in sight.

We've jointly developed some of the most sophisticated
weapons on earth [hint, hint] ^{yet unseen}. ... Fast-tracking Am. weap-
onry [to us] can accelerate victory. Give us the tools,
and we'll finish the job. Give them to us faster, and we'll
finish the job faster.

Vision for Gaza: De-militarization and de-
radicalization. Civilian admin. w/o radical ties.
Children should be taught to live in peace.

Want to forge [a NATO-like] Middle East ⑥
alliance - extension of [Tris] Abraham Accords.
Call it "The Abraham Alliance."

[I was super-impressed with his address.]

- **NTD** (cont.) DC anti-Israel/pro-Palestine protesters graffiti:
" Hamas is coming " on statue base.
- Musk said he was 'tricked' into allowing his ^{(late) Zaver} son[^] to receive puberty blockers.
- **SCRNWS** Commentary on Netanyahu's speech: "split screen dominated by protesters." Show image of ^{Rep-} Roshda Taib holding sign "war criminal" in the chamber, directed at him [projection, referring to Marxists/Hamas]. [SCRNWS, while airing the speech, spun a message that completely missed the essence of his message - diverting]
- Sen. committee advances legislation to ban members of Congress from stock trading. [Penalties are poultry. Should result in removal from office for corruption.]
- **NTD** Heavy tech sell-off; stock market way down
- **DW** ^{3P} 50 Dems no-show to Bibi's address. Bibi calls protesters 'Iran's useful idiots'. Few thousand.
- 229 killed in Ethiopian mudslide.
- **BBC** [A good selection Bibi's speech excerpts, in contrast to DW]
- **F24** Musk U-turn on \$45M/month donation. "Doesn't like cults of personality."
- **NHK** 124 M Japanese. Pop. decline for 15th straight yr.
- **NTD** / Crossroads: CCP-Rus. alliance could face rocky future (whose on top?). China wants sub-

ordinates, not equals. China can buy energy 'anywhere', Rus. needs China to buy; taking advantage, buying below market value. (7) Daily 7/24/24

T 6205 • Scripts Biden's Oval Office Address Following Drop-out.
Biden: (Tr.'s ambition needs to be stopped) [= projection]
"Time to pass the torch" (to stop Tr). "Americans must choose betw. unity & hate" [= projection]. Soul of nation is at stake [Yes, but opposite. Biden/Harris = godless / evil Marxism, killing babies, supporting Hamas/Iran...]
"From kid that stuttered to Oval Office" [Is notable, except he did it by turning to the darkness.] "Kamala is experienced, tough, capable" [at pursuing Marxist future] <6/13>

- Scripts commentary: Pressure from GOP for Biden to resign (or 25th Amend.). "Do we want a dictatorship or do we want a republic?" [= projection / ^{Dem} opposite ^{Dem} true]
"The ^{Dem} party is as united as ever"
- Dems rebuke GOP description of Kamala as 'DEI candidate'
- Stocks drop over underwhelming tech earnings data
- Jesse Kelly "The left officially decided they don't like / need Joe. They'll be carting him out the door back to DE."
