

D&C 93:1 & 1 Ne. 11:1 [1111] Quest Continues

by Sterling D. Allan, 228033

Nov. 18, 19, 2023

It's now a week since I began my quest in earnest to see Jesus and be shown the vision of all by him, via teleporting (tr'ing) to another planet's gorgeous, exceedingly high mountain, as Nephi was carried away by the Spirit of the Lord to such a high mountain that he'd never before seen nor set foot (1 Ne. 11:1). That's something that ~~could~~ could happen with me, despite my being in prison. And yesterday, it occurred to me that the reference "1 Ne. 11:1" has the number 1111 in it, corresponding to 11/11, when I began this quest in earnest, starting a fast. (The fast isn't absolute, as my being type 1 diabetic not yet fully healed, necessitates eating something to prevent my blood sugar from dropping too low. I've reduced my long-acting insulin to 3.5 units 2x/day, which keeps my basal metabolism production of glucose in check, with a slight decline ~~in~~ over time. Yesterday, I slowly ate one apple to compensate for that decline. I plan to reduce the AM dose to 3 this morning, to achieve a flatter result.)

This piece is a follow-up to (A) 10/28 blog article, "To Achieve Mahonri Moriancumer's Vision of God and All Things" and (B) 11/16 blog article,

(2)

"D&C 93:1 Quest," where I looked up the ASCII sum of "D&C 93:1" = 420 instances in AB, and looked up various instances of the numbers 1111-1121, which ~~seem~~ ^{seem} to give a general window of time for this, maybe climaxing on 11/20 (1120 is the ASCII sum of "Alphabetics").

Yesterday, 1117, I had high expectations ^{that} this could unfold that day. (A) The ~~night~~ ^{day} prior, I realized that the wording in Dan. 10:12 "I am come for thy words" on p. 1117 point strongly to this experience for me! ^(B) My blood sugar reading at 1:26 am was "100" as in "100% / perfect". 100 is "normal" for blood sugar. ^(C) Then, at 8:59 am, it measured "101." NT def. 6101 means "impossible" (a word that showed up on p. 420 WDT and in NT def. 418 before G. 420), which I point out corresponds with the ^{CHFVB} entry-level (101) understanding that with God, nothing is impossible. (D)

The news cycle yesterday was quite dry, crabling me to turn off ^{my} the TV to get better focus on the quest.

(There are plenty of TVs around for me to catch news snippets from.) I listened to the "U10" Christmas music channel, which helped maintain the focus. (E) Around 4 pm, I looked again at OT def. 11117 and remembered it says "see 1120" - the likely "climax," indicating that 11/17 could end up being the actual day it materializes. (F) Also at that time, we ended up having 5 inmates in our pod of 8 more, two switched beds; 3 left, and 3 moved in. I've never seen that much disruption/movement among so few at once before. It all materialized ^{was carried out} in about an hour. That

(3)

corresponds strongly with NT def. G 1117 "a load (as filling) [packing up their stuff to move], i.e. a cargo [belongings to be moved], waves: -burden [some wanted to get away from me], merchandise [some of them have a lot of commissary snacks]."

Fortunately, it seems that now we have a congenial group. The way I look at it is that they are foreordained to witness the oddity of me tping out of here for several hours, then coming back, e.g. to sleep, shower, use the toilet, be present at count times; only to vanish again for hours. If they ask where I've been, I plan to say, "See 1 Ne. 11:1." When I tp back, I plan to arrive either in the toilet stall or shower stall, in that priority (depending on vacancy), so they'll not see anything unusual about my emerging (showing up). My being tped out, on the other hand, will be harder to cloak. In^{there} one moment, then gone the next. With^{Fellow} inmates up last night (Friday) watching their TVs, all but two would have seen me disappear suddenly in their peripheral vision. Yes, their guardian angel could distract them, to dismiss it as nothing, but with my normally being here in the cell most all day long, for me to suddenly mostly be gone will catch their attention.

I see the time for me to tp out of here for good being when HMITF and I activate the III, probably several days after my theophany episode (could last several days, coming and going). ^{Previously, I had considered} That?

this is what launches the r.c. "acceptable year of the Lord"

phase.

It wasn't until later yesterday evening that I had the thought that the theophany could transpire over several days, with me coming and going from here. I like the idea of me willfully staying put here ^(able to come and go) until HMITF gets to the all-in, synced up phase. I don't see myself having a legitimate life outside of here until she achieves that level of commitment to me and this mission together. This is intended to be a yin/yang partnership role.

Heads Up to Key Marxist Conspirators

Around 9:15 pm last night, I came up with a wonderful brainstorm of one of the things I'd like to do during the several-day theophany phase. In my previous timeline, a couple of days after Q & I activate the II is when we begin tipping the evil, Key Marxist Conspirators to a ~~put~~ parallel planet that has hot rock bottom, to be on the receiving end of what they have been trying to do here "to bring to pass the destruction of all lands, nations, and people" (Eth. 8:25). They'd be tasked to (A) repent and (B) flip that planet to good. But if they don't repent, it is essentially a death sentence for them to try to survive on a planet in utter chaos; and if they try to join in league with the conspirators there, then they'll be tipped to a jungle on another planet where they're on the menu,

⑤

with only a wife to protect themselves and survive.

In the present scenario of me having a theophany prior to ♀ & I activating the III, the thought occurred to me last night to give all those key Marxist

Conspirators a heads up. I'd have ^{~100} ~100 copies made of these seven articles from my blog:

- 7/22 "Start Giving Global Conspirators Justice Via Tip to Karma Planets"
- 8/3 "Mandella Effect From Parallel Planet Swap"
- 8/4 "Some Scriptures Consistent with the Notion of Tipping Global Conspirators to Karma Planets For Justice"
- 10/28 "ASCII Sums of 'Mike Johnson' = 1157 = 'Nancy Pelosi'; Antonyms, Repercussions"
- 11/2 " 'Israel-Hamas War' = 1473 (ASCII Sum) Alphabetics Commentary"
- 11/7 "Alphabetics Commentary on Artificial Intelligence"
- 11/8 "AI P.S.: Vulnerability to Space Debris Cascade"

I suppose I'd also include this present piece, † which would give them a context for why I'm able to tip into hand these articles to them, though wearing † "ADC inmate" prison whites, unafraid of whatever security detail they might have around them (thanks to my protector from the Karma Shield) — that which is attempted to me will be done to the attempter; except in this case it may be attenuated so as to not be

† or at least the first part,

lethal ~~to~~ them, since they are not aware of the shield and its consequences.)

In handing them the stick (after tying in), I'd say something along the lines of, "It doesn't have to end this way for you. This can be averted if you repent forthwith (as in hours, not weeks) with a broken heart and contrite spirit and receive a mighty change of heart. If you are inclined to repent, I'll come back and give you some tips on repenting."

I also brainstormed (got intuitive download) on some of the particular changes/actions various of these conspirators would need to carry out, to demonstrate the sincerity/genuineness of their repentance. For example, Biden would need to publicly admit that he stole the 2020 election, that he's been methodically carrying out a Marxist agenda to destroy our country, that he's working in league with China and other tyrannies to weaken us so they can overthrow us; that our DOJ, FBI, CIA, etc. have become almost completely taken over by the Marxists, hence the two-tiered system of justice that lets conspirators like him off the hook, while ~~we~~ scheming unwarranted charges against ~~their~~ patriots of freedom. †

President Russell M. Nelson would need to publicly admit that it was wrong for their first

He would also need to cede the presidency to Pres. Trump, who becomes ChoffFB and rules as President of the U.S. A. through the Millennium. (See 7/25/22 blog post, "Trump Could be U.S. President Through Millennium" [Job 33:25])

⑦

Presidency to congratulate Biden on his "win" in 2020; that they've been too ^{withdrawn} bashful about calling out the Marxist conspiracy worldwide, not playing the watchmen role they were assigned by God, thus becoming as salt that has lost its savor (3 Ne. 16-15; Isa. 56:10, 11; Ezk. 33, 34). Most importantly, he would need to correct the false teaching/motto of the Church.

~~Instead~~ Instead of "Follow the prophet", our motto should be "Follow God". Putting the prophet ahead of God in our personal walk is idolatry. JST-Mark. 9:40-48 in the Appendix makes this very clear. Our first loyalty should be to God, not man (2 Ne. 28:31). These are two main areas where the Church has been way out of order for decades. They must be remedied.

I'd also request that he select me as the Apostle to fill M. Russell Ballard's vacancy. ^{would be} This ~~is~~ in preparation for the baton pass ~~to~~ to me that is prophesied in JST-Luke 3:8, 9 "the keys of the kingdom shall be delivered up again unto the Father ... in the day that he shall come"; and D&C 113:5, 6 the root of Jesse spoken of in Isa. 11:10 of the "again the second time" ^(11:13; 2 Ne. 6:13, 14) Messianic advent, "unto whom rightly belongs the priesthood, and the keys of the kingdom... etc..." ^{and 1 Cor. 15:24;} This method would make the transition more smooth. [¶] Yes, they'd need to reinstate my membership; and yes, I'd need to be freed from prison. But I see my typing out of here permanently when I activate the hap.

⑤

peing within a few days of my theophany.

Xi Jinping would need to disavow his atheism, acknowledge that Marxism is Satan's kingdom being set up on earth, and cede leadership of the country to the New Federal State of China^(?) under Miles ~~Quo~~. If his repentance is genuine, they ~~so~~ we likely to welcome his leadership among them.

Vladimir Putin would need to disavow communism as Satan's plan, ~~embrace~~ and fully embrace Christianity and freedom that ~~lets~~ so many of his citizens are gravitating to. And he would need to hold a fair election to let his citizens choose between him and, e.g., that guy he imprisoned.

Barack Obama would need to ^{publicly} admit that he's been running the country from behind the scenes, with the objective of replacing the Constitutional Republic with a Marxist dictatorship. He would need to admit that yes, he was born in Kenya, not Hawaii, and that he was not a legitimate candidate.

Vladimir Zelinsky would need to ^{publicly} admit that he and his country are part of a massive money laundering scheme ^{me} for the New World Order ~~schemes~~ conspirators, of which he ~~is~~ has been a significant player.

Hakeem Jeffries (sp?) would need to publicly admit his role in the Marxist Conspiracy, to control

the levers of government. I'd also suggest he stop trying to mimick the Marxist, Barack Obama.

Kim Jung Un (sp?) would need to publicly disavow Marxism as Satan's kingdom on earth and allow his oppressed people to choose the way of a free government and the right to believe in God and ^{to} follow righteousness.

Controlled opposition voices, Glenn Beck, Buck Sexton, and Sean Hannity will need to publicly admit to whatever arrangement they have with the conspirators to steer the narrative among conservatives on key points. They'll need to acknowledge that 9/11 was definitely an inside job, that Trump definitely won the 2020 election. And Glenn will need to stop saying "terrified," as fear is a major tool of the Marxist bullies, which ^{terrifying} he plays into, knowingly.

Bill Gates, while having brought great software packages forward for humanity, which have served as powerful tools; is also deeply aligned with the ^{godless} conspirators, and will need to publicly admit the many ways he has egregiously harmed humanity, especially toward depopulation, esp. via vaccinations.

Mark Zuckerberg will need to publicly admit how he used/manipulated social media to promote/Favor his Marxist agenda, serving as a ^{powerful} propagandist tool.

Klaus Schwab (sp?) will need to publicly admit how his World Economic Forum was designed to subvert freedom and bring in a global Marxist dictatorship.

Google's CEO, Sander Pichai, will need to publicly admit how Google's algorithms have been intentionally manipulated to advocate/promote a radical Marxist agenda.

(10)

George Soros will need to ^{publicly} admit his nefarious financing schemes of support for Marxist candidates worldwide, to ~~can~~ take control of governments on all levels. He'll also need to confess how dirty the mechanisms by which he got his money were.

Nivaldo Hirari (sp?) will need to ^{publicly} confess his schemes to use AI to ~~in~~ squash freedom and empower a Marxist global government, sans God.

Justin Trudeau (sp?) will need to ^{publicly} admit his agenda to transform Canada toward a radical Marxist dictatorship.

Olaf ^{Scholz} Scholz (sp?) in Germany and Macron of France / Europe.

Lula of Brazil will need to publicly admit he stole the ~~tee~~ election from Bolsonaro and cede the government back to him. He'll also need to admit his radical Marxist ties and agenda.

Chris Wray will need to publicly admit his methodologies for subverting the FBI to an ever more radically Marxist favorability than it was before, and cede control to someone who is a proper patriot.

Alejandro Mayorkas (sp?) will need to publicly acknowledge the Marxist agenda he's been serving in making the Southern border open to illegals, terrorists, gang members, drugs, and other ways of dissolving America's strength. He'll need to cede control to a good patriot such as Mark Lamb (AZ) while Congress selects a replacement.

(1)

Merrick Garland will need to publicly admit how he has subverted justice in favor of the Marxist agendas and in defiance of the freedoms vouchsafed in the Constitution.

Antony Blinken will need to publicly admit how he has used his role as Secretary of State to promote a radical Marxist agenda for America and the world rather than support freedom and righteousness.

Mark Milley will need to publicly acknowledge how he has been steering the U.S. ^{Department} Department of Defense away from strength to weakness so we can be subdued by the Marxist regimes such as China. Elevating ^{following} homosexuals and transvestites has played a large role in this feminization of the military, which he has been promoting.

Antony ^(sp?) Fauci will need to publicly admit how he played a major role in developing, promoting, and covering up the crime of the century that is the COVID ~~vaccine~~ scam — his patent, his funding, his kickbacks, how he knew that Ivermectin and Hydroxychloroquine and Vit. C & D and Zinc were all very successful ^{ents} deterrents which he helped to derigrate; and how he knew the whole thing was designed to scare the populace and pave the way for take-over by the Marxists.

WTO's Tedros will need to publicly acknowledge how the WTO is being used to subvert national sovereignty ^{and} to be used as a tool to bring in global Marxism; and how much of what they promote in

(12)

in the name of health is a lie.

RINDs (Republican in Name Only) McConnell, Mitt Romney, Ronna McDaniel (sp?) will need to publicly confess how they were tied to the Marxist agenda.

Media Marxists, Ted Turner and the Murdochs^(of Fox) will need to publicly admit how they've been using their media presence to propagandize the public toward the Marxist agenda.

This, of course, is not a comprehensive list of key conspirators, nor ~~to~~ does it include all of the most pivotal conspirators. They also could face the same consequence of being tied to a parallel planet that has hit rock bottom, to be on the receiving end of what they've been trying to impose here — unless they repent.

Before yesterday, when I came up with ^{this} notion in July, I saw us just trying them away, to send a message to all the ^{key} conspirators that they could be next, so they better repent/get their act together with God. I like this idea of giving them a heads up of what's coming if they don't repent, so they might repent and use their influence here to undo the damage they've done.

Last night, I also brainstormed some names of key leaders on the enlightened/patriot end of the

spectrum, to give them a heads up as to what's about to occur. I jotted down: Pres. Trump, Mike Johnson, Benjamin Netanyahu, Bolsonaro, Matt Gaetz, Jesse Kelly, Clyde Lewis, George Noory^(CZC), Steve Bannon, Josh (of NTD), Young Sheldon writer, Dallas Terson (The Chosen), Jonathan Roumie ("Jesus"), Elon Musk, Gerald E. Westin (Living Church of God), † Jonathan Cahn (Messianic Jew); Tucker Carlson; Chris Brockman (USCF chaplain who has listened well to where I'm coming from).

† Gerald Flurry (The Philadelphia Trumpet)

Wherever this theophany ends up occurring, I see it spanning several days. Some portions of the vision of all might be downloaded instantly, but I'd prefer key portions to be laid out like might be done in a documentary or university lecture so I can process it cognitively. The typing in to hand out these pages to these key leaders ^{will take some time.} If I spent 15 mins with each ^(1-5 min. would be sufficient for most, as I'd be an unwelcome) ^{Marxists} 52 visits would take 13 hours, not including breaks. I'd love to spend hours with ^{each of} the friendly ones, but that will have to wait.

Of course, I'm going to have a load of questions about this mission to ask Jesus. I'm going to be most curious about HMITF. I don't know how much he's going to be allowed to address that. Maybe she'd prefer that I learn it directly from her. I'm going to see her entire life (and she mine) in a download during the Shared Life Review experience we'll have shortly after the activating the II.

I'm hoping that she, independently, will be able to have a theophany, having come to an all-in place with this mission on her own, the theophany being ~~as~~ a reward. So, by the time we activate the ~~it~~, we will have both been able to have a theophany. If she'll well on the way toward a theophany, then I see Jesus being allowed to be able to show me a lot about her and her life.

but she's, by far, further along than anyone I know of.

Bear in mind, at this point, I have no idea who she is, unless Mary finally comes through. I did look at the clock just at 4:40 in the last 24 hrs. - her house number. She's not close to all-in, as far as I can tell, #

"Theophany" = 944

^{would} be best to describe this (pending) event. I thought of the word "theophany" etymologically, not having ~~be~~ encountered that word before that I can recall. My tablet dictionary defines it as "a visible manifestation of a deity." I wish it also included the "vision of all" component. I bet there's a better word that does include that aspect.

To look up the meaning of "phany", I looked up "G2015 epiphaneia: a manifestation, i.e. (specifically) the advent Christ (past or future): - appearing, brightness." In the space just above it I had written that the ASCII sum of "ABCDEFGHIJKLMN O PQRSTUVWXYZ" = 2015, ^(Alphabets) trying to alphabets, which phenomenon I discovered.

"G2016 epiphane's" means "conspicuous, i.e. (fig.) memorable: - notable." So, yes, epiphany would also be a good word for this.

<11/19>

After writing the above, yesterday, I read through all of the scriptural references under the entry, "God, Privilege of Seeing." An overwhelming theme of the sentiment of most of these encounters is an overwhelming awe, and untouchability of God. Yes, I realize that the other side of the veil is magnificently glorious. This is borne out in the many accounts of near death experiences. For me, though, I see coming into the presence of Jesus to be more like a re-union with a best friend. I love ^{Moroni's} the sentiment expressed in Eth. 12:39, which isn't included in the T.G. collection.

"39 And then shall ye know that I have seen Jesus, and that he hath talked with me face to face, and that he told me in plain humility, even as a man telleth another in mine own language, concerning these things."

I'll, of course, have many questions about HMITS, about her life, personality, readiness, compatibility, foreordination. That would be awesome if she happens to be ready for the ~~DSC 93~~ theophany so we can do it together.

As for the above list of questions, I would think most of them will require a download ^{oad} by the Spirit because they are so involved, taking ^{and theology} science way beyond where it is now.

Biden Birthday Antonym

This morning, I saw on a large screen TV in the section that tomorrow is Joe Biden's birthday. I called my dad, who looked up the birth time on the web: 8:30 a.m.

(20)

Biden

Given that he is the most well-known Marxist conspirator, and given that I've said I see the culmination of this theophany quest launching on 11/20 (remember, 1120 = "Alphabetic" ASCII sum); I see Biden's B-day being a near perfect antonym to the launch of the kingdom of heaven on earth, which this theophany would signal. It's a similar antonym to the blog article of 10/28, "ASCII sums of 'Mille Johnson' = 1157 = 'Nancy Pelosi': Antonyms, Repercussions;" but more significant.

"Theophany" = 944

On the morning of 11/17, I looked up the ASCII sum of "Theophany" = 944. The strongest relevance, by far, came on p. 944 of WDT, which is mostly antonyms that relate to theophany pre-requisite attributes in general, as well as a few that apply to me more specifically. The opening thesaurus entry continues from the previous page: "miscreant (p. 944) criminal, villain, scoundrel," which relates to my incarceration for my violations. "miscue" ^(as I see it) is an antonym of the timing of this quest being on cue, just on time. "misdemeanor" is what my crime actually was, not a felony — a case I laid out in my B.O.P. packet a few months ago, requesting a termination of sentence — time served. "miserable" antonyms apply, both generally to me, but would especially to the theophany: "Fortunate, happy,

contented, joyful, content, wealthy [will be], lucky, noble, significant." Ditto "miserly ~~miserly~~ ant. bountiful, generous, munificent, extravagant, overhanded." and "miserly ant. fun, pleasure, joy." The "misfit" one is where I relate to Jesus very strongly.

- misfortune ant. success [Winston Churchill who shares my birthday and my enthusiasm said, "Success is the ability to go from one failure after another with no loss of enthusiasm." This theory would be a wonderful outcome of all my endeavors.], blessing, prosperity.
- misgiving [ant. confidence / faith]
- misguided [ant. directed, led, informed, right, wise, correct, warranted, advised.] [ditto mislead, misrepresent]
- mishap [ant. achieving objective]
- mishmash [ant. best of]
- misjudge [ant. see clearly]
- mislay ant. discover, find
- misleading ant. real, genuine, truthful, honest
- mismatched [^{ant.} line me up with HMITF]
- misplace ant. find
- miss ant. suffice, achieve, succeed
- misshapen [ant. healed, handsome, gainly, aligned; Job 33:25]
- missile [protective karmic shield]
- missing [ant. found, achieved ("G666 absent")]
- mission syn. business, task, job, work, assignment [I already know what mine is, but will value further elaboration and clarification, correction.]

- missionary [apostle, prophet, Messiah]
 - mist [Isa. 66:4 "delusion" fog resolved]
 - mistake ant. truth, accuracy,
 - mistaken ant. true, correct, sustainable, right
 - mister [bridegroom]
 - mistreat [ant. right, correct, free, save, heal, salve]
 - mistrust ant. trust
 - misunderstand ant. perceive, comprehend
 - misunderstanding [ant. eye to eye, see as they are, one, harmonious]
 - misuse [ant. protect, honor, respect, cherish]
 - mix syn. mingle, consort, combine, fraternize, associate, coningle, join...
 - mixture ant. likeness, sameness [Father & son are one], homogeneity
 - moan [ant. rejoice, hallelujah]
- Likewise, p. 244 Oxy has a few applicable defs.
- terabyte [vision of all]
 - term 2 ... on a particular occasion [theophany] 3 (terms) requirements or conditions laid down or agreed [(A) D&C 93:1; (B) instructions given during theophany]
 - 4. relations between people [Father & Son] 7 pregnancy [man child (Isa. 66:7; JST-Rev. 12:3, 7)]
 - terminal 1. situated at the end [of days of wickedness on the earth] n. 1. ... a bus/plane [top] 4. a computer and screen [□], vision
 - terminate [Satan's power]

- terminology [Eth. 12:39 "as a man telleth another in mine own language"]
- terra firma [high mountain on another planet]
- terrain a stretch of land seen in terms of its physical features [will be gorgeous]
- terra incognita (p. 945) unknown territory [1 Ne. 11:1] is how the page ends.

OT def. H 922 is translated "Food," calling to mind Rev. 3:20, "Behold, I stand at the door and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me." That would be a nice way to end my Fast - with a healed pancreas.

This evening I looked up 830 (Bride's B-day hour of birth - could correspond to when I'm told out of here for this theophany) in AB. 830 was my parents house address in Boulder, CO when I was born. Fitting the above reference, p. 830 of Str.'07 has ^{page} heading "Only-Open."

NT def. G 922 is "Frog," which in this context relates to my leapfrogging of the ministry of Jesus, building on the shoulders of giants. "He that believeth on me [Jesus], the works that I do shall he do also; and greater works than these shall he do also..." (John 14:12) That relates to all of the ChOFFB joint heirs of Christ (which even repentant Marxist conspirators can become) who become all-in, synced up; all-in with their unique mission as part of the body of Christ, synced up with divine guidance in all they do. This is something everyone can do.
