Sterling Daily (6/30/24): Simone Biles Dominates Team USA Trials as Oldest^{Gymnastics} Olympian in Decades by Sterling D. Allan, 228033; uscf

June 30, 2024, Sun. News, Shows highlights & [commentary]

Alt Title: ABC Berates Bannon, a MAGA General

News

- This week ABC Bill Kristol, Fmr RNC chair, "New Trump" [is ABC's idea of balancing radical Dem's] [obvious Establishment]
- Interview with Steve Bannon [trying to make him look ultra radical (not hard, from an Establishment perspective), while he is a "General" of MAGA]. Considers himself a political prisoner [which he is].
- Interview with Antoni Fauci [total B.S. agent - perhaps the biggest scammer in modern history]
- Meet The Press NBC Interview w/ Doug Burgum, asked about his formerly supporting Roe v. Wade. He gave a total political non-answer. [Not at all impressed - RINO, Establishment]
- Panel [wringing their hands about Biden severity - how to pretend he's not]
- Full Measure offshore wind is very expensive to install. ~~3x~~ ^{than land} 2.5x more expensive. Ship ~ \$600 mil. that hoists/installs
- "No evidence tying Biden to Hunter ^{money} & " [B.S.] [Massive evidence]
- NHK N. Korea denounces Japan-U.S.-S. Korea joint drill
- 60 Min. Interpol not a highly accurate. Used for political, religious persecution/retribution.
- Making Team USA NBC Simone Biles lived up to expectations - oldest gymnastics US Olympian in 52 years, as vivacious as her younger peers, won all-around best. Jordan Chiles,

When asked for comment, said, "All God." (2)

Likewise, when Haley was asked, "How do you do it?" answered, simply, "God." [Good influence]

(9.4) The Chosen season 4, Episode 7? Raising of Lazarus
[Drew good parallels to Jesus' pending crucifixion and resurrection, esp. with Mary Magdalene examining the empty tomb. In seeing the value of Lazarus' tomb being akin to the Joseph of Arimathea's tomb where Jesus was laid (designed for someone of great wealth), I could see why they depicted Lazarus as being super rich in an earlier episode. While this is good historical fiction, I doubt reality was anything like this.]
