The "separation of church and state" mantra that has been pushed for decades by the Marxist conspirators and willingly parroted by the uniparty Republicans (RINOs - in name only) has been spun as an allegedly (wrong) Constitutional reason to purge God from public life, including schools, media, therapy, politics, science, education, ^{among many other inducements,} etc. This has resulted in a largely godless and wicked culture.

But in recent years, there has been a blossoming revival, turning back to God and goodness, especially among MAGA (Make America Great Again) Judeo-Christian patriots. Real America's Voice (RAV) TV's broadcasts 24/7 are deeply rooted in faith in God, with regular mention of God, often specifying Jesus Christ. Some of the hosts will even offer up vocal prayers during their broadcast.

As we bring God back to all areas of life, seeking God's guidance, empowerment, protection, and miraculous power, we are getting closer to bringing heaven to earth. That process is further accelerated by people realizing and embracing their unique mission in life, loving what they do, finding great joy therein, and put-

ting their God-given gifts to optimal use. Most of the RAV hosts and guests largely embody this and inspire it by their examples.

This can be summarized in four words: "all-in, synced up." We embrace our unique role in the body of Christ, all-in, and we sync up with God to carry it out in the most optimal way. An idea whose time has come.

Imagine everyone doing that. It will be heaven on earth. It will be theocracy — everyone being guided by God. It will culminate the Lord's prayer: "Thy kingdom come. Thy will be done in earth as it is in heaven" (Matt. 6:10). This revival also manifests the summary sentence of scripture, as reflected in this short Bible paragraph:

"¶¹⁷ From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is at hand."

¶¹⁸ (Matt. 4. See also Matt. 3:1,2; Alma 7:9; Hel. 5:12; D&C 42:7...)

I elaborate on how we can do this rapidly in my book, *None to One: Evoking the Repentance Clause of Prophecy*, available from IIIndComing.com.
