Sterling Daily (7/9/24): Dems Balk at SAVE Act that Would Stop Ease of Illegal Imm. Vote Sign-ups

by Sterling D. Allan, 228033; uscf

July 9, 2024, Tue. News+ highlights & [commentary]

Non-Denom. Print-outs (Viola)

- **[PNW]** 7/8 An ISIS-affiliated network was able to slip over 400 individuals through the S. border
- "Redefining the American Dream: From Wealth to Survival"
- "Obama & Biden Admin.s Paving Way for Nuclear-Armed Iran"
- "We are in trouble as a nation; the answer is to turn to God"
- Presbyterian Church voted to divest from financial bonds in Israel and to denounce Christian Zionism [wake church]
- Globalist One Health Agenda - totalitarian biosecurity ^{system}
- 'Downe Intervention' - (canist ~300 missiles from Iran) a 99% interception rate ^{by Israel} is extraordinary & highly improbable.
- Individuals who don't believe Israel has a right to exist now barred from German citizenship
- At least 200 terrorists killed in Rafah ground operations - IDF
- Netanyahu is dealing with pressure no Israeli PM has faced before [test of an old soul]
- Masoud Pezeshkidan wins Iran's pres. election; says he "wants 'friendly relations with all countries except Israel'"
- IRGC Commander says Iran 'hopeful' for opportunity to launch new missile attack on Israel
- Olive Tree Ministries 7/2
- Dems say Biden should use immunity to assassinate Tr. (Harry Sisson - one of Biden's top Gen-Z surrogates)
- Israel Concerned about Biden Debate Performance - frail, weak, commander in chief

News

(2)

- **[Bus. 1st AM]** Despite climbing continually in recent months, the stock market is showing signs of vulnerability
- Power outages (U.S.) cost \$250 B / year
- **[TND]** H. Beryl brings peak 2.7 mil. w/o power outages in TX
- Hunter B. has become de facto gatekeeper for Biden in WH.
- Biden in state of denial about his campaign's weakness
- Existing voting laws prohibit states from asking for citizenship evidence. SAFE Act would remedy that. Dems twisting to oppose. [so they can cheat in 2024 election]
- Scott Rasmussen (pollster): Harris would do worse than Biden
- Closing arguments cont. on Sen. Manendez: "A bribed man"
- BoFA: Housing market "stuck". Ave. house price \$397k until '26. [cooling books]
- Mark Morgan re. Border crossers stats: "a big sett shell game. H. Border "highest numbers yet", up 6x 219k May. Govt stats manipulated, don't include certain things
- **[6a Scroops]** Project 2025, Heritage Foundation 920pp doc. cuts civil servants, enables many to be political [non-leftist] appointee, exposing corruption, eliminate term "reproductive right", ban Mifepristone, roll back LGBTQ initiatives, limits Fed. Res., would need cong. approval. Tr. has called parts of it "abysmal", keeping options open
- Walmart faces class action suit over shelf price tags not always being same (less) than ring-up at check-out.
- Military: 40k recruiting deficit
- At current rate, in 20 years, Diabetics will be: T2 + 65%
- **[7a NTU]** Americans increasingly doubtful of value of college
- NATO conf. in DC today* to strengthen defense of UK, counter China, how to support newest members

- RNC approves Tr.-backed policy reform
- Sen. Schumer admits to do bill to label (Tr.'s) 2020 election-related acts as "unofficial" (to be able to charge him)
- Uk, Poland forming volunteer military unit [why?]
- SpaceX launches first of Turkey's home-grown satellite
- 19-pp. RNC plan (Tr.-based) make U.S. a manufacturing superpower, create defensive shield akin to Israel's 'Iron dome'
- Floods break dam at China's 2nd largest freshwater lake
[stopped (filled) announced 7/11 am]
- 36% Americans confident in higher ed. [taken over by Marxists ^{including BYU}]
- 10:50 am SCANDALS House & Senate having "listening session" about Biden ^{face.}
"We need to see a more forceful candidate" - 3rd in line ^{requirement}
- 23 NATO allies now meeting the 2% spending on defense
[thanks in large part to Tr. calling for this, forcefully]
- NATO: Uk's military stockpiles are too small, not compatible
- * • GOP [whom] on Dems: trying to get illegal immigrants to vote [easy to check "Citizen" on e.g. drivers license application, other such crucial, readily available forms, scooping up low-integrity / Dem-leaning illegal voters (screens out high-integrity MAGA-compatible) - likely to net ~million votes]
- * • SAVE Act (Safeguard American Voter Eligibility), requires proof of citizenship, and removes non-legitimate voters from rolls. [Dems oppose saying the law already says non-citizens can't vote ^{explicitly} ~~Dems seem like they're~~ ^{makes them see as giving} low service, while in deed, they're collecting illegal voters by the thousands)] [Passed house 7/10] ↑
Chris Roy: "No secret what their motives are."
- Narrative [lie]: "There is no evidence that illegals are on voting rolls"

- Steve Scalise (House Majority Leader): "The Biden we saw in the debate is the same Biden we've seen all along."
"Demis trying to throw out votes of 14 mil. who voted for Biden in primary. That's 'Democracy'?"
- Anchar: "Fact check: illegals can't vote [see above]; 2020 was safest election" (= the most ridiculous lie they've made)
- ^{3p} DW: Europe launches first "Ariane 6" rocket that could be used in a wide array of space mission tasks.
- ^{3:30p} BBC: NATO Summit opening ceremonies showed orchestra playing "Be Still, My Soul" (~20-30 seconds) [Glory to God ^{by MSM}]
- 52% killed in Gaza are women and children
- ^{4p} **F24** Milestone: Wind power surpasses coal power in U.S.
- ^T Biden's (cognitive) health question looms over NATO summit
- ^{4:30p} **NHK** Nikkei 225 hits all-time high
- **Scrum**: NATO giving 9 Patriot-like defense systems to UK
- IDF advance in Gaza to keep Hamas from regrouping
- Powell says weaker jobs market (from high inflation) also a risk to economy (argues for rate drop before 2% goal ^{achieved})
- Kids banned from NGL (Not Going to Lie) social media
- Game industry @ 50 bil [seems low]. Growing lay-offs [post pandemic decline in gaming].
- Biden awards NATO Sec. Gen. Stoltenberg the Presidential Medal of Freedom (highest citation for citizens ^{foreign} [not globalists!])
- At least 40 states can charge inmates \$50/day for duration of incarceration. "Pay to Stay." Puts extra challenge upon release when trying to re-enter society. [Postpone 5 yrs.]
- "Autobiographer" app helps people tell their own story
