Heads Up Letter to Marxist Conspirators

by Sterling D. Allan, 228033

Jan. 1, 2024 <for Jan. 2 Heads Up>

Hello,

Tudor Dixon and I have teleported in (trid) in to hand you this notice to you about what will happen to you in a couple of days if you don't turn your ways, repent of your sins, come clean with the public about your conspiratorial (evil) machinations against freedom, goodness, God, seeking to overthrow the freedom of all lands, nations, and people countries, and bringing to pass the destruction of all people, your conspiracy being built up by the devil, who is the father of all lies (Epher 8:25 in the BoFM).

Your reign has come to an end. The Lord is now making bare his holy arm in the eyes of all nations (Isa. 52:10). Tudor's and my tettr'ing in to hand this to you, shielded from your security by our Protective Karmic Shield (what is sent to us (e.g. bullets) will return to them — a huge deterrence on attempts on our life/safety), is a manifestation of that power of God now pouring out on the earth.

If you repent and realign your life to serving God as you were foreordained to, for God, in a magnificent way — like Saul becoming Paul an-

(2)

ciently; embracing your unique mission based on the gifts and talents God has given you — all-in, synced up with God (via intuition that everyone has — to the degree they'll follow it), then you, also will become a joint heir of Christ, a member of the Church of the Firstborn, and can have these wonderful gifts of the Spirit that Tudor and I have been given.

If you have not begun a serious turn toward repentance by Wednesday, Jan. 3, then you will be tied to a parallel planet like ours, but which has not a rock-bottom collapse like you have been trying to engineer here to solidify your power = kingdom of Satan on earth. And ~~you~~ there, you will be on the receiving end of what you were trying to do here.

You can see that we have the ability to fix, so don't doubt that we will do this to you. Your charge there will be to (A) repent, (B) help fix that planet to good. If you don't, you'll have no protection from God, and this will almost certainly be a death sentence for you.

Check out IandComlag.org which explains this new paradigm emerging now. Articles of particular interest to you, in the blog, include:
