

URGENT, MUST-READ BOOK ANNOUNCEMENT

Subject: How to avert calamity — book by Sterling D. Allan at IndComing.com

Date: Jan. 8, 2022

Body:

Hello Friends,

Sterling D. Allan here, writing from prison to announce a new hand-written book I just completed. I wrote it neatly so it can be scanned to a PDF document for download from IndComing.com, with a suggested (not required) donation of \$5.00. This way it can be made available right away, without all the logistical/red tape delays of conventional publishing. I'm a professional writer and editor, so the writing should be adequately clean — certainly enough to relay the message.

The book depicts how we as a society can go straight to the kingdom of heaven on earth without hitting rock bottom, first. We do this by evoking the repentance clause (r.c.) of prophecy, which is spelled out in minute detail in the Alphabetics (AB) code I discovered 26 years ago. It brings clarity to scriptural prophecy, per Prov. 25:2 & Rev. 5:5. Here's the synopsis from the back cover:

"In None to One: Evoking the Repentance Clause of Prophecy, [I] set forth a clear and achievable path whereby in a very short period of time ("acceptable year of the Lord") we can switch our

societal trajectory from worst case calamity scenario to bringing heaven to earth. At the center of that repentance turn-around is people waking up to their true identity as having a unique, grand mission with astonishing gifts as their part of the body of Christ (which includes the gamut of professions, from janitor to astronaut — all good services — see Eph. 4:1. ["I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called." On p. 1483 of LDS Bible, which is the ASCII (computer keyboard character numeric assignment) sum of "Heavenly Mother".]); wherein embracing, all-in, is found the greatest joy, fulfillment — and is not possible without following one's intuition (comprised of one's higher self, which taps God's fullest power & wisdom). When you do what you love, you bring heaven to earth [Conan O'Brien (sp?)]. Imagine everyone doing that!

The scenario I see unfolding will be like a combination of Harry Potter, Luke Skywalker, Dan Brown's Professor Langdon, and Isaiah, minus the violence. It will be a peaceful metamorphosis, and the furthest thing from boring.

Isaiah 57:15-19 (cross ref. 3Ne. 21:10 "I will heal him") depicts how someone of my ilk (recovering just addict) could do something of this magnitude, facilitating its manifestation.

Here are some brief highlights of how

the AB code details the unfolding of the r.c. scenario.

The ASCII sum of "corona" = 642. Page 642 of Strong's Concordance $\overbrace{642}^{642}$ © 2007 (Str.'07; ISBN 978-1-59856-378-8) has relevant page heading, "Leftest-Leprosy." Page 642 of the LDS Bible Dictionary (B.D.'13) includes entries "Fan; Fear," which relates to Rahm Emanuel's (sp?) saying, "Never let a crisis go to waste." New Testament (NT) def. # G [Greek] 642 means, "to separate (from intercourse)" — which is completely contrary to human social health.

The term "E.T. friends" appears prominently in my book. I see them playing a fundamental role in assisting us, e.g. in building the Sky Venue (S.V., which we [the ChofFB = church of the Firstborn, joint heirs of Christ] design & assemble) for the 1 Thes. 4:16,17 lifting up event. The ASCII sum of "E.T. friends" = 1024, which is the last/omega $\overbrace{1024}^{1024}$

page of Webster's Dictionary & Thesaurus © 1997 (WDT; ISBN 1-57755-017-X), which I cite extensively in this new book. I show how every entry on p. 1024 ties strongly to my paradigm, especially as it relates to our E.T. friends' involvement. For example, the last entry on the page is "zoom (SYN.) zip, fly, speed, whiz, roar, race, climb, soar."

But the ChofFB among us (who become thus by going all-in with their unique God calling and who sync up with their higher self) and, by the end of the "acceptable year of the Lord," will number 125 million (Rev. 5:10,11) for the lifting up event — many more to follow thereafter — will

have teleportation (tp) as one of the gifts of the Spirit that they'll be able to use. There are several scriptural examples of tp, e.g. John 6:21, 25 (Jesus and a small ship full of disciples arrive "immediately" at their destination once Jesus is aboard); Acts 8:39; 3 Ne. 28:30; Hel. 10:16; Moses 7:27.⁹¹ After composing a section of my book titled, "TP Pressurized 747 to Saturn Moon", I tabulated the ASCII sum of that heading, which comes to 2943. OT def. H2943 means "to load a beast:-lade," consistent with a fully-loaded 747 (with the first ChOFFB members who want to take this jaunt). NT def. G2943, relating to Saturn's rings and to the orbit of Saturn's moons, means, "From the circle, i.e. all around:- (round) about." Even more precisely, nearby is "G2945 (a ring, "cycle"); i.e. in a circle, i.e. all around." Also relevant to the notion of tp'ing a pressurized 747 to a moon of Saturn are: "G2941 piloting; G2942 captain."

The ASCII sum of "Sky Venue" = 858. Page 858 of WOT includes these relevant entries: "build bulky [huge] buoyant [levitating via anti-gravity & free energy technology to power the modules, tethered together] bustling business [& living quarters, per 1 Thes. 4:17 "so shall we be ever with the Lord"] building [venue]."

Alphabetic vicinity also plays a significant role in unfolding these mysteries. This is especially true of the key words regarding the lifting up event. The def. immediately after "Jesus" is "jet," which relates to (A) lifting up, (B) Fast (tp),

5

(c) in a pressurized, climate-controlled cabin [S.V.]
 Shortly before "lift" is "life-support system A system giving a person all or some of the items, such as oxygen, water, food, and control of temperature, necessary for a person's life and health while in a spacecraft [56 miles up, at the brink of space]." Immediately adjoining "lift" is "life zone A biogeographic zone." Shortly after is "ligate," which relates to tethering the individually levitated modules together.

"life work" relates to the ChofFB all-in status in their unique God calling. Shortly before "Jesus" is "Jerusalem," consistent with the S.V. becoming the New Jerusalem.

I see the S.V. arena, that will seat 125 million ChofFB, being flat (since the II ["two"] [Infinite Interface] - see Book - will enable you to view the stage from any angle or distance, 3-D, Full Fidelity), with a grated floor, so you can see down to the huge garden below. That is conveyed in these def.s in vicinity of "arena" in WDT: "arduous Taking much effort to bring forth; difficult. area A flat or level piece of ground. areaway A sunken space [garden] that offers access, light, and air to a basement. areca Tall palm [in garden]. ^ arenaceous Having the properties of sand [is how 125 mil. ChofFB assembled will appear]. arena theater A theater with the stage located in the center and the audience seated around the stage. argenti-ferous Producing or containing silver [sterling Ⓞ]."

One of the key elements in the r.c. scenario

(6)

will be the 2 Chron. 7:14 prayer event.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I see this taking place in the Conference Center in Salt Lake City, Temple Square, of exclusive zip code 84150, with Pres. Trump offering the prayer. OT def. H4150 means "an assembly for a definite purpose ..." [this, in particular]. Gesenius includes "temple, tabernacle, seat of the prophets" meanings for H4150. Every verse on the page (594, LDS) facing 2 Chron. 7:14 ties directly to that verse, often including verbatim strings. 594 is the ASCII sum of "Donald" - the modern King Solomon, who was offering the temple dedicatory prayer on p. 594, which resulted in this outcome:

"Now when Solomon had made an end of praying, the fire came down from heaven, ... and the glory of the Lord filled the house."
(2 Chron. 7:1, p. 595)

I see this Pentecost, that hundreds of millions will participate in remotely, fulfilling Isa. 66:8:

"^a Shall ^b the ^c earth ^d be ^e made to bring forth ^f in ^g one day?
or ^a shall a ^b nation ^c be ^d born ^e at ^f once?" (see also Zech. 3:9.)

A year later will be the lifting up event. (Evoking the s.c. moves the 2nd coming in glory forward because all the years of groveling are turned away.) OT def. H 801, Utah's main telephone area code, includes the meaning "fire" [e.g. baptism of]. Coinciding with the Pentecost des-

(7)

cription (Acts 2:1-3), NT def. G4151 [84150] means, "a current of air, i.e. breath (blast); Fig. a spirit, the Holy Spirit..." Imagine the impact for good these transformed people worldwide will have in turning right-side-up what is up-side-down in their areas of specialty.

Consistent with the ChofFB prerequisite and embodiment characteristics, "all-in, synced up", the ASCII sum of that synoptic string comes to 1553; and NT def. G1553 has the precise antonym meanings of "to quit: -be absent," which is the meaning of "G 666 absence" - not stepping forward because of listening to negative (Satanic) chatter: "you're no good; someone better should do this; who do you think you are? etc."

A new, amazing world is unfolding.

Action:

As you download and carefully read my new book, None to One, there are two outcomes I aim for: (A) For you to commit to the ChofFB principles of "all-in, synced up," so you can be among the first to become ChofFB and serve as an inspiration for many others to follow; (B) as soon as you are sufficiently convinced/impressed with the paradigm I present, help promote it, to assist in manifesting the kingdom of heaven on earth - without hitting rock bottom - a much higher path that is our chosen destiny.
