Pres. Trump's \$464 Mil. Bond in AB: H 464 'God of Gold'; G 464 'Strive Against'

by Sterling D. Allan, 228033

March 25-28, 2024

This morning, in seeing the news that Pres. Trump had to come up with \$464 million or face having some of his properties ~~con-~~^{seized} ~~seized~~ by 'Get Trump' Leticia James, I thought to look up the number 464 in Alphabetsics (AB) to see if it might have any resonance with this. It absolutely does.

As I was noting what I found there, the news came out that the judge had reduced the amount to \$175 mil. and gave him ten additional days to come up with that amount, cash. That number also has strong resonance in AB.

Remember, AB is a function of the entirety of the Bible's ^{inspired} prophets, scribes, translators, editors, publishers down through millennia — "The wisdom of the ages", divine wisdom.

P. 464 Strong's '07

The first place I turned to was p. 462 of Strong's Exhaustive Concordance of the Bible, ©2007 (ISBN 978-1-59856-378-8). The most ob-

2
viciously-relevant entries on that page are: "Greatly; Greedy; Green [\$]." That addresses how blatantly weaponized the justice system has become against all MAGA^(Make America Great Again) patriots, especially Pres. Trump. In this "civil fraud" case, they allege that he inflated the value of his ^{only} property, ^{They} and say his Mar-A-Lago estate is worth \$16 million. Anyone can see how blatantly ridiculous that is. Years ago, my sister's custom^{designed (by them) and} built home up Maple Creek Canyon in Utah County, on maybe 15 acres, cost \$7 million. Yes, it's a magnificent home, but it's nothing compared to Mar-A-Lago. Compounded by the Trump ^{global and ideal location,} brand, I wouldn't be surprised if Mar-A-Lago could be valued at \$~~464~~¹⁷⁵ mil.

Business people who have integrity are deeply concerned about what has happened to Pres. Trump by Leticia James. New York is the most well-known gate of entry to the United States. Would you want to invest in New York property now, with this kind of craziness going on? Pres. Trump's case has no victims. All his lenders were paid back on time, in full, with interest.

With that in mind, the heading of p. 464 Str. 07 comes clearly into focus as a direct an-
tonym, portraying what they claim to be and

are supposed to be but have now bastardized:
"Greatest - Greet," "Welcome" - not!

OT Def. H 464

Old Testament definition H464, the proper name Eliphaz means, "God of gold." That has obvious relevance. Speaking generally, Pres. Trump is probably the most wealthy person to become a world leader (elected) historically. It also calls to mind the truth that God governs in the affairs of men.

H 458 God of (the) king

→ # The vanity defs also have high relevance.

• H 461 God of help [Like Joseph's being imprisoned then saving Israel's family and all of Egypt, God turning to good what was intended to evil against ^{Joseph} him, so also is the persecution of Pres. Trump helping him win the hearts of Americans and citizens around the world.]

• H 463 God of (the) people [Though a multi-billionaire, Pres. Trump appeals to the lay population - not the deep state establishment.] "We the people"]

• H 465 God of judgement [Though the justice system is presently in the hands of the Marxist conspirators ("H6666 justice"), Pres. Trump has vowed to "drain the swamp." Hence, he's become enemy #1 to them. God will prevail if we'll continue the trend of awakening, repenting; and we can avert the destruction to which we've been headed otherwise.]

- H 466 God of distinction [Pres. Trump is one of the most accomplished ^{people} person ever to run for office. #
 And his resilience against to all the persecution that has been thrown at him has endeared him to the people. How many people of stature could withstand all that has been thrown at him?] #
 (as promised when he ran. #
 He accomplished a huge amount)
- H 467 God of deliverance [Pres. Trump is wholly compatible with the repentance clause ^(s.c.) of prophecy that enables us to avert hitting rock bottom ^{and} but go straight to the kingdom of heaven on earth instead. I see him playing a crucial role in bringing that about, which I explain in my book along these lines, available from ItIsComing.org.]
- H 468 God of (the) rock [Pres. Trump is a sincere believer in God. The ASCII sum of "Donald J. Trump" is 1314. Page 1314 of the LDS Bible (KJV) opens with Luke 20:17 "What is this that is written, The stone which the builders refused, the same is become the head of the corner?" (Also on that page is the statement, "Render unto Caesar the things which be Caesar's".) I see Pres. Trump serving as ~~the~~ U.S. President through the Millennium. See my 7/25/22 blog post to that effect.]
- H 469 God of treasure. [Net worth \$6.8 billion, 3/26/24]
- H 470 God of rejection [Ditto Luke 20:17 "The stone which the builders refused"]
- H 471 God of raising [cont... Luke 20:17 "the same is become the head of the corner"]

(5)

- H472 God of (the) oath [3 Ne. 29:8,9, p. 464 B&M]
- H473 God of supplication (or of riches)
- H47⁵ God will restore [#45 → 47th Pres.]
- H476 God of hearing [^{relating to} today's appeal hearing results in this case]
- H478 God of judgment [ditto H465]

FWIW, in somewhat chaotic manner (A,B,B,A arrangement), def.s H459 and H479 before and after the above set both mean "these", relating to these relevant def.s cited above, in vicinity of H464. BTW, the few def.s I omitted do it have a meaning given by Str. 07.

↕ NT Def. G464

- G460 anomos ["animosity" root?]; lawlessly: -without law... [two tiers of justice; not applied equally]
- G461 to straighten up [is what Tr. and his MAGA cohorts seek to do - restoring America's greatness] :- lift (set) up, make straight.
- G462 wicked: -unholy [is what is behind America's decline, spurred on by the Marxist conspirators, who seek its destruction, Biden being their U.S. kingpin publicly]
- G463 self-restraint [The J6 protesters showed huge restraint when being incited to violence by MAGA-prefering Antifa, BLM, Feds and the cops. That said,

I wouldn't say that Tr. is skilled at self-restraint.

He speaks his mind, which many find refreshing. #

forebearance [Tr.'s resilience to massive persecution]

Also, to his credit, he doesn't do alcohol: forbearance.

(on 3/28 am it was valued at \$8.51.)

- Gr 464 antagonizomai; to struggle against ("antagonize"):- strive against [The global Marxist conspirators are fixated in their opposition to Tr., who spells their exposure and removal.]
- Gr 465 an equivalent or ransom :- in exchange [bond, seizure of assets]
- Gr 466 to supplement :- fill up [with Truth Social going public tomorrow^(DST) on the NASDAQ, estimated at being worth \$2 billion, solutions are in reach, especially with the drop of the bond to \$175^{mil.} and ten more days to pay it down.]
- Gr 467^a to requite (good or evil) :- recompense, render, repay [Case is very likely to win on appeal. The false accusers should have happen to them what they wanted to do to Tr., if they don't repent.]
- Gr 470^a to contradict or dispute :- answer again, reply against [Tr. is appealing the case.]

P. 464 T. Gr. 13

Page 464 of the LDS Bible Topical Guide ©2013 has strong relevance as well. The most directly-relevant entry is "Slander," which all these electron-interference, four cases amount to - in intent,

(7)

but the American people are smart enough to see through all of it, which is why his ratings in the polls ^{have} gone up with each indictment.

The "Slavery, Slave ^{See also Bondage}" entry relates to the what Tr. opposes and his enemies promote as prophesied in Ether 8:25 about the "secret combination" / ^{"deep state"} conspiracy to arise on this land in these end times:

"25 ... whoso buildeth it up seeketh to overthrow the freedom of all lands, nations, and countries; and it bringeth to pass the destruction of all people, for it is built up by the Father of all lies..."
(^{"destruction"} ↑)

The "Slain; Slaughter; Slay, Slew" ^{en} entry set relates to what the conspirators would like to do to Tr.; but God has been protecting him.

The page opens with the ^{en} entry "Skill", which is a great descriptive word for Tr., who is a world-renowned Real Estate tycoon, reality show host / pioneer, author, former Democrat turned MA Ad Republican to transform that RINO party into something more aligned with freedom, waking the planet to the deep state conspiracy

Along those lines, the facing page has the antonym entry, "Sleep, Slept." Tr. put an end to that slumber of the people, waking them to their awful situation, which was exaggerated by Biden's Followers.

and administration.

<3/26>

↕ NT Def. G175

New Testament def. G175 itself is a strong ant. of the notion of Tr. being able to pay the bond:

- G175 barren (lit. and fig.) :- without fruit, unfruitful. Tr. had said he had \$464 million liquid but needed it for other things including his run for the Presidency, so having \$175 mil. will not be a problem. He said he will pay it in cash (pennies? ☺), (1.7 km³ pile?)

The next def. gives voice to what Tr. has been claiming about this being groundless. Most commentators agree he has a high likelihood of winning on appeal. Ditto def. G178

- G176 not blameable :- that cannot be condemned.
- G178 without (legal) trial :- not condemned.

As an antonym to G178, consistent with what Tr. has been saying, his opponents have been engaging in leg "lawfare". Satan is the "accuser of our brethren" (Rev. 12:10; G2725).

Between those is "G177 unveiled :- uncovered". I see that depicting how the Marxist conspirators have been showing their true colors, which is resulting in Tr. getting increased support from the public as these attacks and their ridiculousness intensifies. I also see this def. relating to how

(9)

this present article could play a significant role in bringing attention to my work, bringing it to light after so long being hidden from the public for apathy, indifference, prejudice, despising. This certainly will not be the first time I've composed something worthy of global attention.

The two def.s prior to G175 have the meaning of "thorn(s)". This calls to mind Tr.'s "don't throw me in the briar patch" attitude of Brer Rabbit of (?) Uncle Remus' (sp?) tales. He basks in all this prosecution because he knows it backfires and works to his benefit.

Similar to G176 & 178 above, the def. before the thorn(s) set is:

- G172 not bad, i.e. innocent & -harmless [there are no victims in this case being brought by Letitia James.], simple [anyone with integrity can see that Tr. doesn't deserve this]

The def. before that relates to the point that Tr. makes about the timing of this being suspect, as ~~th~~ this case could have been brought years ago if it was legitimate. It's being raised now ~~in~~ (bogusly) in election season bespeaks Barara-Republic-like ^{election} interference.

- G171 inopportunisty :- out of season
- G170 (unseasonable); to be inopportune (for oneself), i.e. to fail of a proper occasion...

In the OT, a 720 is translated "lack of opportunity", which is an ant. of how Tr.'s persecution affects him.

The set of def.s before that relate to the Stormy Daniels hush money case that also came into play yesterday. That's where (that court hearing) Tr. was on the same day the \$464 mil. bond amount was due then reduced to \$175 in another court.

• Gr 167 impurity (the state), ^{quality} ~~morally~~ ^{physical or uncleanness} -- Filthiness [Tr. said he didn't do it. The campaign opted the hush route to quell a problem of timing of bad publicity. (If I understand correctly.)]

• Gr 168 impurity (the state), morally -- Filthiness

• Gr 169 impure (ceremonial, morally lewd) #2 - Foul, unclean
Jesus Christ's atonement makes it possible for anyone to repent and be fully cleansed of their sin, Tr. included. We all sin and are in need of that redemption.

P. 464 Bible (LDS, KJV)

Page 464 of the LDS Bible spans 1 Kings 1:15a-37a and relates to succession - wondering who is going to come after King David. [‡] This election season is an unprecedented question of succession, where Tr. is seeking to regain the Presidency to what he considers a stolen election. (See my 8/20/22 election editorial,

(e.g. vs. 27b, "who shall sit on the throne of my lord the king after him?")

"Stolen 2020 Election in Alphabetic Bible Code")

Verse 31b, "Let my lord king David live for ever," relates to my ^{7/25} 6/17/22 blog post, "Trump Could be U.S. President Through Millennium (Job 33:25)" — an ultimate manifestation of for him of the Ps. 118:22 / Luke 20:17 (p. 1314 = "Donald J. Trump") "The stone which the builders refused rejected, the same is become the head of the corner?" Reinforcing the "live for ever" sentiment of 31b, back in the vicinity of def.s around G175, ~~comp~~ the def.s ^{immediately} before and after the def.s I elaborated above, in the previous section, G166 and ~~G~~ G179 both mean "eternal, for ever, everlasting" and "endless," respectively.

Vs. 33 ~~34~~ ⁻³⁵ have David announcing that Solomon will succeed him, saying, "blow ye with the trumpet, and say, God save king Solomon." This actually has significant relevance to how I present Tr. in my N→O book, pointing out that the ASC II sum of "Donald" = 594, and of the Bible (2 char. G:26a-42) ^{of the Bible (2 char. G:26a-42)} the every verse on p. 594, the last half of King Solomon's dedication of the temple, tie in to 2 Chron. 7:14, (on the offer with verbatim strings. 2 Chron. 7:14 is the most well-known r.c. verse of the Bible. I say that Tr. is a modern King Solomon (but not a monarch). I see him offering the 2 Chron. 7:14 prayer as voice for the people, bringing about the Isa. 66:8 & Zech. 3:29 global born-again transformation (of ~400 million people who will fully participate in that event)

<3/27>

OT Def. H175 Aaron

Page 175^{of Str:07} and OT def. H175 don't have direct ties to the Tr. bond matter, but they do relate powerfully to the overarching^{umbrella} paradigm of the salvation God has in store for a society on the brink of destruction — if we can show sufficient repentance of society. ¶ Page 175 of Str:07 relates to the salvation of the macrocosm beside with entrees.

"Christ (s, 's); Christian". That also is an invitation to become joint heirs of Christ (ChofFVB) by becoming "all-in, synced up" — "all-in" with our unique calling in life in the body of Christ (whether janitor, astronaut, physicist, basket weaver, educator, etc...), and "synced up" with divine intuition to be guided in all things.
(see below)

H175 Aaron[^] relates to the microcosm bride, who is Heavenly Mother veiled in the flesh, who — as a type and shadow of all humanity^{being invited to} stepping forward, "all-in, synced up" to^{embrace} the "Ye are Gods" instantiation (Ps. 82:6; Isa. 41:23). "Aaron" is the first/alpha def. alphabetically in Greek and English. "Father" is (7 X a6) is the first in Hebrew/Bible. Aaron is the name of Tudor Dixon's husband. You'll see on my blog that since Nov. 2023 I've been focused on her as a most likely candidate to fill this HMITF role.

I should note that the Lord seems to be preparing a back-up plan / alternative, which began coming into focus in my 3/23/2024 blog post, "Would God that Everyone Would Sign". The key word for that alternative is "stead".

That was reinforced yesterday (3/26), when I did an AB analysis of the ASLII sum of "Key Bridge Collapse" = 1769, which occurred yesterday. The def.s surrounding OT & NT def.s H1769 and G1769 relate super strongly to that event, including these obvious highlights: "H1758 break, tread down; H1760 push down, drive away, drive on, fatter; H1761 as being struck; H1762 a push, i.e. a fall, falling; H1763 fear, make afraid; H1765 haster, pressed on; H1766 to press, thrust; H1767 too much; H1768 now, seeing; H1769 pen-ing; H1770, 1 fish; H1772 rapid, vulture." And in the NT vicinity: "G1758 entangle with; H1764 impend, instant, be at hand; G1769 silent from astonishment, speechless." I'dl be doing an article on that after this article.

The point here is the super strong tie to "Would God that Everyone Would Sign" and these two def.s of the "Key Bridge Collapse" = 1769 set:

- G1769 dumb (as making signs)...
- G1770 to nod at, i.e. beckon or communicate by gesture :- make signs...

That's about as direct as could be in tying to the article I finished a few days prior, synergistically.

BTW, my reason for advocating this is because of the beauty and expressiveness of sign language, giving people that avenue to (A) increase clarity in communication, (B) increase the ability to express passion and other dynamics, (C) communicate in a more universal language that everyone can relate to at least partially. I also address the logistics of learning and utilizing sign language in a relatively easy way.

P. 464 BoFM (3 Ne. 29:46-30:2)

Page 464 of the BoFM is the last page of 3 Nephi. It's a general admonition that applies here as well as to many other situations. But its application here becomes even stronger given this present article that illustrates God making bare his holy arm.

5 Wo unto him that spurneth [MWCT "spurn" is to show unwillingness to accept, engage in, or agree to"] at the doings of the Lord; yea, wo unto him that shall deny the Christ and his works!

6 Yea, wo unto him that shall deny the revelations of the Lord, and that shall say the Lord no longer worketh by revelation, or by prophecy [e.g. the Bible AB code depicting Tr.'s 9464 bond and "The Key Bridge Collapse"], or by gifts, or by tongues, or by healings, or by the power of the Holy Ghost!

8 [This verse comes more clearly into focus with the Oct. 7 attack by Hamas. Anti-Israel/Jewish sentiment has been rising. See my 11/2/23 blog post, " 'Israel-Hamas War' = 1473 (KSCIT Sum) "] Yea, ye need not any longer hiss nor spurn, nor make game of the Jews, nor any of the remnant of the house of Israel ["H3478 he shall rule as God: - Israel"]

CHAPTER 30

1 Hearken, O ye Gentiles, and hear the words of Jesus Christ, the Son of the living God, which he hath commanded me that I should speak concerning you, ... saying:

2 Turn, all ye Gentiles, from your wicked ways; and repent [r.c.] of your evil doings, of your lyings [gaslighting, bogus narratives] and deceivings [when they say there is "no evidence," you can ^{usually} be sure the evidence is overwhelming], and of your whoredoms [extant porn, gender fluidity, homo celebration, drag queen shows, legalizing same-sex marriage and abortion in many states...], and of your secret abominations [HWO/Deep State/Marxist conspiracy/WEF/UN marxism/Council on Foreign Relations/Asylatral Commission/Club of Rome/Bohemian Grove/Davos], and your idolatries [worship of celebrities, sports gambling, materialism, "follow the prophet" (should be "follow God"), media influencers, gaming], and

your murders [abortions; euthanasia; sudden death
 syndrom^e ^{eterniscabriages, strokes, etc.} from COVID vaccine; unnecessary deaths
 by from COVID by withholding info about effective
 remedies including Ivermectin, Hydroxychloroquine,
 Vit. C & D, Zinc; Fentanyl & other drugs; foster-
 ing rampant crime by defunding police and being
 soft on crime; open border invasion; Floyd
 riots on bogus narratives (see my 6/29/22 edito-
 rial, "Chauvin Innocent of George Floyd's Death");
 forced organ harvesting of ^{Falun Gong} ~~Shen Yun~~ & Uyghurs
 in China; martyrdom of Christians worldwide...],
 and your ^{worship} ~~practices~~ ["Follow the Prophet"; radical-
 ization of the Christian Church; govt. becoming
 god], and your ~~envy~~ ^{envious} ~~sings~~ [e.g. pushing 'racist'
 narrative as a weapon, BSG, DEI, social media
 comparisons/inadequacies], and your strifes
 [great division (2de. 30:10), contentions], and
 from all your wickedness [listen to your conscience,
 you know what's wrong] and abomination [every-
 thing mainstream is up-side-down], and come
 unto me [That string is also in 2de. 28:32 about
 the Gentiles denying the Lord God of Hosts notwith-
 standing he extends his arm of inviting repentance
 all the day long], and be baptized in my name
 [The Church of Jesus Christ of Latter-day Saints, though
 in a large degree of apostasy, has the keys for this.],

that ye may receive a remission of your sins,
and be filled with the Holy Ghost [synced up],
that ye may be numbered with my people who are
of the house of Israel. ["H3478 he shall rule as God:-
Israel" = ChofFB / joint heirs of Christ]

P. 175 BoFM (Mussah 14:5-12 [Isa. 53:5-12] & 15:1-3)

The Isa. 53 Messianic prophecy that Abinadi
cites before King Noah's tribunal here ^(~148 B.C.) has relevance
to all who will become ChofFB. Part of getting to the
point of being "all-in, synced up" is experiencing the
Messianic path in your own way to a significant extent.
The older soul you are, the more true this will hold. Tr's
persecution is an important part of his personal path/
test. How many people could put up with what he has?
He's likely near the top of the old soul category, not-
withstanding his faults. # Otherwise he wouldn't
qualify to serve as U.S. President through the Millen-
nium. Some of the relevant strings include:

- 1425 "he was wounded for our transgressions" [tr. says he's a stand-in for us]; "he was bruise but bruised for our iniquity" [ditto]; "the chastisement of our peace was upon him" [He's the only Pres. in a generation ^(?) that didn't get us into a new war, but was getting us out, and preventing new conflicts. Marxists project "warmonger" on him.]; "with his stripes we are healed"

(Takes one to know one y)

[Tr.'s waking up the country to an awareness of our awful situation has played a huge role in prepping us for sufficient repentance & healing (2 Chron 7:14)]

vs 6 "All we like sheep have gone astray [yep]--- and the Lord hath laid on him the iniquities of us all [Tr. has played an intercessory role — standing in the gap, taking hits for all of us.]

vs 7 "He was oppressed, and he was afflicted" [But he has it kept his ~~not~~ mouth shut, bless his heart. Nos should we. Part of being a light is speaking up like he does, even though he does get rough (wrongfully) at times. That's better than being ^{generally speaking} quiet.]

464 vs 8 "He was [kept from going to] prison, and from judgment [he'll be cleared]". They want to "cut [him] off from the land of the living," but God has other plans for him (Job 33:25 applies to all the Chief F&B who want to love through the Millennium).

vs 10 "Yet it pleased the Lord to bruise him: he hath put him to grief" [This is foreordained for the above reasons, and to enable Tr. to ~~prove~~ prove himself, and to play an intercessory role, standing in the gap.] ; "he shall prolong his days" [e.g. serve as U.S. Pres. through the Millennium], and the pleasure of the Lord shall prosper in his hand.

- vs. 11 He shall see the travail of his soul, and shall be satisfied; by his knowledge shall my righteous servant justify many; for he shall bear their iniquities. [Not in the same way as Jesus, but still ~~exte~~ intercessory for the nation.]
- vs. 12 "Therefore will I divide him a portion with the great [namely, Pres. of U.S. for Msl.]; ... he was numbered with the transgressors, ~~and~~ he ... made intercession for the transgressors." [for U.S.]

<3/28>

CHAPTER 15

- vs. 1 "And now Abinadi said unto them: I would that ye should understand that God himself shall come down among the children of men, and shall redeem his people."

This relates to (A) Jesus' atonement for all mankind, beginning to end; (B) the "again the second time" (Isa. 11:1) Messianic advent^{ent} of the Father^{& Mother} now among the LDS Gentile Church, bringing about the r.c. to redeem on a societal level; (C) all who become joint heirs of Christ (see my 8/20/22 editorial, "We're All Called to Be Immanuel"). I see Tr.^{soon} achieving that status.

P. 175 NT (= P. 1361 Bible) (John 19:13b-31a)

This page depicts Pilate presenting Jesus to the Jews, saying, "Behold your King"; to which they reply, "We have no ~~king~~ king but Caesar," relat-

ing to how the Marxist-leading Americans are opting for tyranny/socialism, as embodied in the Biden administration, while Tr. supporters want freedom based on righteousness, which is a necessary ingredient of liberty — akin to the string of restraint on a kite. That righteous foundation is an attachment to divinity/conscience. Tr. is compatible with this, though he's got some repentance of his own to carry out, e.g. embracing Jesus' admonition to "love your enemy" rather than being a bully back. He should seek for their genuine repentance, not destruction.

"19 And Pilate wrote a title, and put it on the cross. And the writing was, JESUS OF NAZARETH THE KING OF THE JEWS."

In the r.c. scenario, the rejected stone becomes the head of the corner, so death is not the outcome, as an antonym to what is depicted on this page. Instead of resurrection, the ChAFFB who wish to live through the Millennium undergo a ^{transformation} Job 33:25 ~~from~~ fountain of youth[↑], which is essentially resurrection without dying.
