I've heard quite a few leaders in the MAGIA movement make reference to a revival being under way, with people awakening, repenting, turning back to God and goodness, and getting involved as they feel directed by God to do their part in turning right-side-up what is up-side-down in their area of specialty. (See my 8/12/22 editorial, "Action: Turn Your Specialty Right-Side-Up.") I love this, and would like to highlight some of the many manifestations that I see as illustrating and helping drive this revival, listed nominally by the most significant first.

• My 8-year quest to help evoke the repentance clause (r.c.) of prophecy. While this isn't known publicly yet, God and angels see what I'm doing to prepare for a cannonball splash entry that will bring about the Isa. 66:8 one-day global mighty change of heart experience that changes the world trajectory from rock-bottom destruction to going straight to the kingdom of heaven on earth instead. (See my book, *None to One: Evoking the Repentance Clause of Prophecy* available from IndComing.com.)

• Charitable giving generosity despite hard times;

- Trump presidency which exposed the deep state conspiracy and advanced principles of freedom, establishing the MAGA (Making America Great Again) movement [aka revival];
- Repulsion at the results of the Biden election theft, which has awakened many (globally) to the Marxist evil/treason/conspiracy destroying the country from within, as manifest by their rotten fruits of: open borders; crippling our energy superiority; unrestrained abortion; Afghanistan withdrawal debacle; codifying election fraud methodologies; uncontrolled spending; weaponization of govt against MAGA; releasing unreformed prisoners; delegitimizing the judicial system; weaponizing weather; supporting the CCP and other enemies that seek our destruction; conveying crucial national secrets to the enemy; molding & following World Economic Forum edicts, e.g. ESG scoring; weaponizing COVID and its vaccines to kill/depopulate, maim, and control/monitor us; ever fanning fear to diminish people's ability to discern; ever gaslighting and projecting, saying that we are what they actually are, e.g. "insurrectionists," "fascists," "racists"; pushing all kinds of immorality and gender identities; etc.;
- Rise of excellent conservative media, e.g. RAV TV, Infowars, Blaze TV, Epoch Times TV and news-

- paper, Jesse Kelly radio & TV, Coast to Coast AM;
- Rise of alternative social media, e.g. Rumble, Gettr, Truth Social;
- Kari Lake (and others) fighting the theft of her election, as a transformed Democrat/mainstream news anchor;
- Tea Party movement, paving the way for the rise of Pres. Trump & the MAGA movement;
- Elon Musk purchasing Twitter and opening to view a strong sampling of Deep State/Marxist conspiring against truth;
- Franklin Graham & Jonathan Cahn's Oct. 2020 Washington Mall million⁺ (?) person 2 Chron. 7:14 global prayer rally for repentance;
- Sean Faucht's ongoing Let Us Worship rallies, spurring revival/repentance nationally since 2020 lock-down.
- Charlie Kirk's Turning Point USA youth/young adult MAGA empowerment chapters and conferences for University/College & High School students, fostering a generation of righteous patriot leaders, activists, candidates, media personalities;
- Brazil's Bolsonaro's election theft spurring millions to protest/awaken/yearn for freedom, not Lula's Marxism;
- 21 House stalwarts holding out in Jan. 2023 for a stronger, more common-sense-based rule set that unravels the bureaucratic log jam that has stymied

productive lawmaking & reform;

- Lingering benefits/effects of Reagan's election, thanks to a Washington Mall 2 Chron. 7:14 prayer event several months prior (Harbinger II, Jonathan Cahn);
- Mike Lindell's addiction recovery tools; sleep assistance products⁺ providing ad revenue to support alt. media, activism; exposing election fraud, especially in voting machines;
- Conservative talk radio for decades, e.g. Limbaugh, Beck, Hannity, Clay & Buck, Levin, Clyde Lewis (don't venture awake enough);
- Late 1990s arrival of the Internet as a tool allowing the spreading of truth;
- Home schooling & private schools to get children out of Marxist indoctrination;
- Freedom universities including Liberty, Heritage, etc.;
- Conferences;
- Chinese citizens bravely protesting COVID lock-downs;
- Ukrainians fighting courageously against Russian invasion;
- European farmers protesting;
- Iranians protesting women's oppression;
- Canadian truckers protesting COVID mandates;
- Many other things such as MAGA-favorable: school board victories, local election victories, acts of service, phenomenal art, blog posts, opening your mouth at a family gathering, uplifting Christian music, kindness, investigations, journalists, optimism, humor, great books, activists, great movies, documentaries.

Notice that other than indirectly, e.g. in their excellent charitable efforts, the Mormon Church did not make this list of various efforts/causes/hallmark developments contributing to the awakening revival under way. When it comes to the patriot cause (e.g. Alma 48:10 cause of liberty is cause of Christians), the Mormons have largely become "as salt [Lake City] that has] lost its savor [and] is therefore good for nothing but to be cast out and trodden under foot of my people, O house of Israel [e.g. streaming by the millions over our southern border, many of them poised to wreak havoc. (See my 9/11/22 editorial, "Illegal Immigrants - As a Lion Among the Beasts of the Forest.")] (3 Ne. 16:15).

Notice that I didn't call them here by their full/true calling/name, because when it comes to standing for freedom and against the Deep State establishment/Marxist conspiracy, they have not even come close to playing their God-ordained role. Their added scriptures speak emphatically about this, but this has fallen largely on deaf ears.

Ditto the Christians, generally speaking, with added admonitions in the New Testament that they're disregarding. Ditto the Jews, who have the (essence of the) Old Testament and its repeated admonition to "proclaim liberty." At least Mormons tend to lean conservative. Most Jews are flaming liberals/Marxists, even being pro-abortion, notwithstanding the commandments, "Thou shalt not kill," and "Thou shalt not commit adultery." Israel presently leads

the world in vaccinating the public with the bio-weapon COVID vaccinations that are proving to be so dangerous. (See my 12/8/22 editorial, "Vax Clear & Present Danger: Lock Up Fauci, Pfizer, Fake News, Pharma-Fraudsters.") The Mormon leaders admonished Mormons to take the COVID vax. They congratulated Biden on his (bogus) win. They endorsed the [Dis] "Respect For Marriage Act." As a church, they have been completely dismissive of my writings/messages over decades, as they have been of others God has sent to admonish them; casting us out. (D&C 133:71; 1 Ne. 21:1; Jer. 23:1,2; Eze. 34:1-6; Zeph. 3:18,19; Isa. 66:5...)

To the extent that you don't embrace the truth that you are offered, then some of the light you had is taken away.

But as part of the repentance clause scenario I set forth in my book, I see the Church leaders waking up and hosting the 2 Chron. 7:14 prayer event at their huge conference center that will fulfill the Isa. 66:8 global mighty change of heart event, also fulfilling which will put this event in the #1 position of this "Revival" listing.
