This is an excerpt, abbreviated version of the conclusion of the ~60-page "Open Letter / Booklet to Kari Ann Lake from Sterling D. Allan" that I just completed (first draft; still need to finish pen final), started Dec. 25.

Just as individuals have a subconscious mind, I believe that there is a similar phenomenon on a societal level. I see it as the summation/aggregate of everyone's subconscious programming.

The subconscious mind is programmable. As a child, it is programmed in our upbringing. From about the age 8, we begin to be more in control of our thinking, and hence how our subconscious mind is programmed. Adults are fully able to reprogram their subconscious mind, for good or evil. As a man thinketh in his heart, so is he (Prov. 23:7). It's a matter of choice. That programming is what shows up in the autopilot mode that appears in the fight-or-flight/stage-fright/doesn't-test-well (from fear/nervousness) mode, when our conscious mind blood flow is largely redirected to the limbs.

One of the best ways to program the subconscious mind is to go out on your porch (with neighbor houses around, hence vulnerability) and joyfully shout an affirmation (inspired from intuition from God) you want to see manifest. The unusualness gets the subconscious mind's attention. Negative trauma does the same thing — not for good.

An example of evil programming of the collective subconscious mind <sup>what we saw</sup> was utilized blatantly in the 9/11 attack. The conspirators were able to use that to introduce all kinds of Orwellian/Big Brother controls, monitoring, manipulations; which would have never been accepted before that brutal drama. (See my 8/21/22 editorial, "9/11 Inside Job.")

On the opposite end of the spectrum, I see there being several ultra-significant events from my paradigm in the coming weeks that will reprogram the global collective consciousness for good.

- Foremost will be the 2 Chron. 7:14 prayer event, bringing a global mighty change of heart with its Pentecost-like result (Acts 2:1-4). [This is elaborated extensively in my book, None to One: Evoking the Repentance Clause of Prophecy (N→O), available from [IndComing.com](http://IndComing.com).] This corresponds to a book I wrote ~28 years ago: *A Mighty Change for a New World*, available from [GreaterThings.com](http://GreaterThings.com) via [Archive.org](http://Archive.org) (pre 2/22/16 address).

- Our ability to (A) see and communicate with our E.T. Friends (who look similar to us, on planets like ours < Moses 7:30 >) via the IT [see my 8/29 editorial, " 'We'll Never Know' = Not So "]; (B) teleport [See my 8/23 editorial, "Teleportation as a Pending Gift of the Spirit."] to/from their planets; (C) ship cargo to/from these planets.
- The emergence of the IT capability, which has a spectrum of access/functionality proportional to how close a person is to getting all-in, synced up: Its entry-level capability will be beyond Tech. 1.0.
- The concept of the Sky Venue, and embarking on its planning. [I elaborate on this on pp. 149-178 of N→O.]
- Teleportation<sup>(TP)</sup> - bopping around the planet and universe and posting IT videos about it to Tech 1.0 for propagation there, which when viewed will be via IT - full fidelity, 3D, aromas and other environmental sensations; translated well to the language best understood by the user.
- TP'ing a loaded 747 to be levitated inside the Church of Jesus Christ of Latter-day Saints' huge Conference Center after the 2 Chron. 7:14 prayer; after we watch that 747 (pressurized cabin) be teleported to a moon of Saturn. (pp. 243-8 N→O.)
- TP'ing Elon Musk & his crew in a readied biopod to Mars. (pp. 242-3 N→O.)
- ChofFB members performing abundant miracu-

- lous feats, such as healings, which we'll be able to broadcast via II videos downloaded to Tech 1.0 devices.
- Being able to see ancient historic events as they actually occurred, via the II.
  - T'ing to ride dinosaurs on other planets.
  - Karmic Shield protecting ChoFFB members. (that which is sent out to kill/maim them is returned to do that to the sender.)
  - The realization that Heavenly Father & Mother have incarnated, and are humans like everyone else — and that they (everyone else), too, are called to be Immanuel. (D&C 130:1 "When the Savior shall appear we shall see him as he is, we shall see that he is a man like ourselves.") [See my 8/20 editorial, "We're All Called to Be Immanuel."]
  - Everyone being able to take the Blue Horizon rocket trip to space and back, virtually, via the II, attenuated according to their ability to handle the physical rigors. (pp. 208-212 N→O)
  - The feast after the 2 Chron. 7:14 Pentecost, catered by angels and our E.T. friends, optimized to the liking/taste of each person — including the ~400 million observing remotely via the II. (They'll be able to keep the fancy trays/place settings as mementos.) [pp. 239-241 N→O]

Passing and implementing the Amendment to Eliminate Socialist Welfare (Appendix C-2 N→O) — turning it back to voluntary charitable organizations; restoring it to a heart-felt-gift rather than a cold tax.

That's a pretty good list, and there will probably be other massively impactful things as well. Coming out of this will be a very awakened, revived, energized, motivated, inspired, joyful, hopeful population worldwide. Sure, there will be some hold-outs who will take longer to reform (willfully, by choice), but most will flip to the good side right away. <sup>¶</sup> Those who participate in the 2 Chron. 7:14 event will be the early crop of massively transformed people. But the biggest impact will be..... [You'll have to wait for the Booklet (~4 weeks) to get this elaboration. It ties to the wedding.] That, clearly, will also have a positive subconscious programming impact on the planet.

All these things fit Isa. 52:10,  
"The Lord hath made bare his holy arm in the eyes of all the nations, and all the ends of the earth shall see [and many of them will accept] the salvation of our God [made possible by Jesus Christ]."

And they'll bring about a fulfillment of Isa. 11:9,  
"The earth shall be full of the knowledge of the Lord, as the waters cover the sea."

This is dependant on someone (♀) answering my invitation, turning "none to answer" to one, as depicted in Isa. 41:25. [See my 11/7/22 editorial, "...Depicted in Isa. 41:25."]
