(9) Chicago Fire - final episode of season. Capt. Bowden becomes head of ^{CAF?} Chicago Fire. Well-loved & respected for his skill, helping stations feel like family - now bring that to the city's fire dept-s.

My Cause

I received a letter from Suzy Subways / Susanna Martin, co-editor of Prison Health News to inform me (A) ^{they} she had published my article about ^(B) how type 1 diabetics can have a good A1c in prison; that she'd put some money [100] on my books in thanks.

"We are so grateful for your wonderful article"

I wrote a reply, letting her know I'd written a 25-page article (part (A)) ^(5/20) about what I'd found in looking up her name in Alphabetics, thinking she had given the donation after being on my site. (That ^{Diabetic} article is on the site blog, 7/27/23.)
