Sterling Daily (8/20/24): DNC Day 2: Obamas Say Hope [for Marxism] is Back

by Sterling O. Allan, 228033; USCIF

Aug. 20, 2024, Tue. News + Highlights & [Commentary]

Non-Denom. Print-out (Viola)

- PNW 8/16 From global financial crisis to the mark of the Beast in 10 steps [I'd be curious to read this article]
- 8/14 Nearly 1/3 Gen Z in U.S. undergoing treatment for mental health issues.
- Harbinger's Daily 8/15 Holding to a Biblical [spirit-directed] worldview has never been more critical.

News

- Bus. 1st AM ^{7:30 a} Gold bars ^{now} worth \$1 mil. 2nd term.
- Dem. platform has 19 refs to Biden's 1st term. Kamala will be ^
- Last night (DNC) Biden tied her to himself.
- Tr. hack came from Iran - US Intelligence Community; Iran denies
- IDF recovers 6 bodies of hostages in Gaza.
- Armstrong Williams: "Har's policies are a hallmark of Communism" ^{Impeachable offenses}
- * 920p Biden Impeachment Inquiry report - ^{Impeachable offenses} overwhelming evidence [scripps/establishment said 'no evidence' = gaslighting] that Biden profited from his VP position through family's deals, carefully cloaked.
- 23 states sue W.H. over pollution rules that could impair coal power plants [base load power - crucial to grid stability]
- Adam Andrzejewski of OpenTheBooks.com (~50yo?) "died" unexpectedly over weekend [by establishment because of the power of his info to expose corruption]
- Beck [among Woke] "DINC" - Double Income, No Children - trending [selfish]

* Mel Gibson: "I remember a time when we fought Communists, not elect them." (2)

• [-] [Opening WS show, Glenn pooh poohed last night's DNC Day 1 speeches, culminating with Biden, as if it was not worth watching for anyone. I found this extreme prejudice to be offensive and hugely lacking in integrity and charity. It's the conservative counterpart of what they decry as the "Trump derangement syndrome" - as a ^{social} fad.]

• 2 days prior to 7/13, USSS told Tr. to expect extra security given increased threat. But instead, it was way less. [international neglect]

* Glenn: Dems [establishment/ Marxist conspirators] need you to hate Tr. more than you don't love open borders, bad economy, inflation, abortion, mushrooming homelessness & crime. [most likely]

• Glenn: Had Tr. assass. been successful, it would have led to civil war. [Agree] [Good thing God intervened.]

• 60% of DNC protesters from out of country.

DNC Day 2

• [Embittered Stephanie Grisham, Fmr. Tr. WH press secretary has probably been bought out, or was never truly MAGA, to now endorse someone as radical as Kamala.]

• Kamala thanks delegates for their nomination (ceremonial) from

rally in WI, same venue as RNC last month, with 15k people [looked to be more people than for RNC, which didn't fill/go to top tier]

• Kamala touts [Communist] ^(A) plans to help first-time home-buyers with a \$5 ~~to~~ \$15k down payment; ^(B) help with cost of diapers, cribs, car seat.

• "Freedom to love who you love, with pride" [Sodom & Gomorrah]

• Scripps: Some protesters @ DNC "want to make it 'like '68 again:" Started to get intense then calmed down.

- Mayor John Giles, AZ ^(R) [RINO]: "GOP hijacked by extremists" ③ Daily 8/26/24
[Both parties have become extreme, per 2 Ne. 30:10 "great division"]
- Sen. Duckworth (D). Had baby by IDF. "They (GOP) will come for..."
[Not. Gaslighting, Fear mongering.]
- Doug Emhoff (Kamala's husband): "I love that laugh." ... "wants to ask (his) kids what they want to do to make the world better place."
"Kamala was on the phone with someone. Intense (was it a foreign crisis? campaign?). It was my daughter." "This Thu. (Kamala accepts nomination) is our 10th anniv." [Notable synchrony]

T. Michelle Obama [Powerful orator] "A magical, powerful feeling (here): hope [after feeling down at prospect of Biden losing to Tr., losing all their Marxist gains]." "All people have value." [!] "Pursue dreams [for good]." "Obligation to lift others up. Don't complain; do [something about it - as directed by Spirit (centeredness, peace...)]." "No one has a monopoly on what it means to be an American." [Body of Christ - governed by principles of "all-in, synced up" w/ divinity] [-] "The joy of her laughter" [No, her laugh is usually born of nervousness - fakiness. Michelle is trying to put lipstick on a pig.] "Going small [Tr.'s personal / petty attacks] is un-presidential." [I agree. Tr. must repent / change this terrible attribute. It's not godly.] "Decears and cheapens." [Agree] "Our parents taught us better than that." [Agree] "Kamala is packing wenas across country." [Biden set the bar so low, the Dems are delighted to have someone so much better.] "Making sure everyone has enough" [Is a main "appeal" of ~~our~~ Marxists, paralleling on earth what Satan / Lucifer enticed 1/3 of hosts of pre-earth councils with: "every one will be taken care of" - by force (of govt.) (Moses 4:1, 3).] "Voting plan" [is code to "cheat all you can"] "This election

is going to be close" [They know how to cheat just enough to win, then cover-up the fact that they cheated, primarily by controlling the public narrative, including with help from controlled opposition like Beck & Hannity who say, "yes, they cheated, but not enough to overcome the margin," when the opposite is true: the cheating made the margin.]

"Work like our [Marxist] lives depend on it [including setting up cheating mechanisms - the end justifies the means]. (Introducing Barack) "He wakes up every morning wondering what is best [way to Marxize] for country."

T. Barack Obama "I'm feeling fired up." "I feel sorry for anyone that has to follow Michelle." [She is a brilliant / gifted orator.] "16 years ago, one of the best decisions I made was to hire (select) Joe. I admired his empathy, decency [B.S. He saw him as a good puppet for rolling out Marxism.]

"He put his own ambition aside for sake of country" [Marxist gains of his being a puppet, ^{Now,} puppet too shabby, need new puppet]. "Defended Democracy [Marxist roll-out] at darkest hour" [2020 Tr. poised to win, easily - which he did]. "That torch has been passed." [to another, even more radical puppet.]

"Fight for the [Marxist] Am. we believe in." "Tr. is obsessed with crowd sizes" (camera pans to show a packed stadium at DNC) [During 2020, Biden could hardly attract 100 people, while Tr. was ~~fitting~~ attracting many thousands. The MSM cameras would not show his audience sizes.] Presently DNC / Kamala are drawing huge sizes because of Biden's low bar being so surpassed by Kamala, whose speechwriters are expert at manipulation, and she's gifted at reading those lines]. "We're all

created equal." [Is a universally-acknowledged principle, but is weaponized by Marxists to divide & conquer.] (5) Daily 8/20/24

"Even when we don't agree, we can find a way to work together." [Excellent & much-needed admonition, but for Obama, the next sentiment is where he puts a caveat on where to direct that energy.]

"Prove that Democracy [= Marxism in their code] can ~~work~~ ^{deliver}." "Mutual respect needs to be part of our message." [I see God's hand in the DNC relaying this point, which will be significant in the coming healing of the divide.] "Listen to their concerns." [ditto]

"We hope they'll extend the same grace to us." [ditto] "The rest of the world [both teams] is watching to see if we [Marxist, in their case; MAGA in ours] can pull this off [Marxizing US for them; stopping them, for us, restoring true freedom (righteousness-based)]."

"We shouldn't be the world's policeman [defund the police to bring in chaos to birth hell on earth], but we can be agents for good [They call good evil, and evil good, having flipped the script. ^{e.g.} Murdering a fetus is "a woman's freedom" / good.] ..."

The ties that bring us together are still there." [True] "Know what matters: integrity, honesty, honor." [Yes] "Seeing kids go places they would never imagine for themselves." [Our children are going to astonish us (in righteousness)] "A return to bonds of affection, looking out for each other." [Prophetic, looking to Millennium] (<~9120?>)

I shared a ~~to~~ chiasm I found today in 2 Ne. 28:32, which I'll be composing into a blog article. This is the only verse in all scripture that has ~~2~~ 3 instances of the phrase "saith the Lord God" (of Hosts!) in one verse, which puts a huge spotlight on it as to its significance.
