Shows

- (3). "Bio dome" movie, I only lasted 5 min.s. Retarded
The title draws a scientific audience but the slapstick, stupid content is anything but scientific.

(9.5) StoryTV Aliens (day's theme)

George Tsoukalos series does an excellent job of probing the subject. D.C. sighting of ~6 UFO craft (~1950's). Masonic symbolism in DC ties to E.T. ancestry/source of humans. Statue atop capitol is the ~~Irish~~ Irigouois Sky-woman with star crown (where she's from). Founders ~~saw~~ believed in a universe teeming with life like ours. Washington monument and its reflection in pool

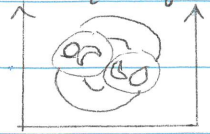

depict the "as above, so below" motif that is 2
consistent with this theme.

Nasca, Peru - flat top mountain chain (approx.
{ 30-50 mile squarish set of mountains all cropped
← off at same elevation) [I can't help but think that
accidently the entire area was flat - level - and
erosion carved out from within that formerly
contiguous surface.] 800-200 B.C.

Many ^{ancient} ground formations only discernable from
the sky. Many artifacts ^{hydroglyphs} that depict saucers, aliens, astro-
nauts. ^{generator} Nazo bell seemed to have been either: power, ~~or~~
anti-gravity, or time travel objective. ^{There are} Several other significant
occurrences of that shape. ^{There are} Skulls (Alien?) that don't have the
"sagittal suture" (human).

Puma Punka (Bolivia) precision cut stones in large former
structure (~200 yards). Native culture said it was assembled
in one day. Tsumalo wonders if its destruction occurred in
the Flood of Noah. Said the a purpose of that Flood was to rid
the world of the Alien grants, interbed hybrids. - Zecharia Sitchin (sp?)

Roswell rock raised pattern identical to crop circle 4 yrs. prior.
1976 Tehran hostile encounter with Iranian fighter
jet. Got too close, equip. stopped working, launched
projectiles at jet. Many military anecdotes told/depicted.

1983 USS Yellowstone - object under water, comes to surface takes
Nova Scotia(?) incident witnessed by Canadian, U.S., ~~R~~USSR navies
2 weeks, underwater ^{UFO/sea} craft disabled, retrieved (escorted) ^{away} by
new/similar UFO craft.

Stone 2 whistleblower - 2 UFO recovery ops all over the
world for decades. Cover-up, silence, theater, MIB
