The word "teleportation" (tp) conjures images of science fiction — super-advanced technology — that might be available in the not-so-soon future. However, I believe it could begin rolling out, as a gift of the Spirit, in weeks from now.

Jesus teleported miraculously, e.g. in John 6:16-21, sans technology. His disciples were in a (small) "ship" in a boisterous sea (Galilee). Jesus walked up to them, on the sea, saying, "It is I; be not afraid" (vs.20). "Then they willingly received him into the ship: and immediately the ship was at the land whither they went" (vs.21). That's teleportation (tp) — of the entire crew and the ship and any cargo that was on it.

"Well, he was Jesus," you might say. But remember, Jesus said, "He that believeth in me, the works that I do shall he do also; and greater works than these shall he do..." (John 14:12).

When we become joint heirs of Christ (Rom. 8:17; Eph. 3:6) by embracing our unique mission in life (Eph. 4:1) all in, synced up with God, tp is one of the gifts of the Spirit we'll be able to use — in mortality (Rev. 5:10).

Phillip did it (Acts 5:39, 40); and so have several

others (e.g. 3 Ne. 28:30; Moses 7:27; Hel. 10:16; 2 Ne. 4:25...).

We're not just talking about hopping around the earth. We'll be able to go anywhere that is within the purposes of God, e.g. other planets like ours, establishing commerce.

I elaborate on this extensively in my book, None to One: Evoking the Repentance Clause of Prophecy, available from [IEndComing.com](http://IEndComing.com).
