Institute Bro. Morris; "Ch. 56; Moro. 10"

On seeing the above written on the white board, I added:

"all in" = 560. And during the lesson, I pointed out

that Moro-10:32 ties strongly into the "all-in, synced up" concept; and how appropriate it is that, synchronistically, of divine synchrony, it is that the last chapter of the BofM manual would have the number 56 in it.

I also noted in the class that p. 404 faces the last page of the manual (before Appendices). In the computer world, "404" relates to "File not Found." In the BofM context, this relates to how what we have now is probationary to receiving more, namely the 2/3 sealed portion of the BofM. No one balked on these points but all seemed to see merit in them.

Earlier, I ^{emphasized} pointed out that Moro-10:25 "by the power of the Holy Ghost ye may know the truth of all things" is all-inclusive, without limits, and can/should include important areas of our life, whether scientific, political, career-oriented, etc. I also noted that, regarding "all things", 2 Ne. 32:3,5 says the Holy Ghost/words of Christ will tell us all things we should do; and that for me that usually takes the form of a centeredness, feeling of "common sense", peace, joy, and other Fruits of the Spirit.

In the afternoon portion of the class that discussed the gifts of the Spirit (10:18-19,30), I said that this being the last/omega chapter of the BofM puts a spotlight ^{of importance} on this. ‡

Feel & urges us to embrace "every good gift" I gave "touch not" the evil gift, I gave the example of last night's 10 years of Jimmy Fallon (see 8/14 daily).
I also emphasized that 10:30 gift. Regarding the warning to
