by Sterling D. Allan, 228033; USCF

July 27, 2024, Sat. News, Shows & Highlights & [Comments]

- **[Scripps]** "Tr/Vance most extreme in US history" [ditto the Harris ticket from the Christian perspective/MAGA perspective, per. 2Ne. 30:10 "a great division"]
- RNC leaders gather in FL for election-day training [Scripps: "What are they worried about? 2020 was the most secure election in US history"—is one of the biggest lies the Marxist recite!] 60 Cases [dismissed on standing, evidence wasn't heard]
- Biden dropped out on National Ice Cream Day [fitting ☺]
- Tr. (@Turning Point Action conf.): "3 weeks ago, Harris was a (bum) — failed Border Czar" [Not bump from Fake News]
- 1/3 Olympians eat a plant-based diet [☺]
- Israeli air strike hits school in central Gaza, kills 30; IDF: targeting command center (using human shields)
- **[NBC]** [I saw a slow-motion replay of a Chinese synchronized diving ^{dive} that obviously was not closely synchronized, yet received a high score—higher than a US team doing the same routine yet got a substantially lower score—tells me that those judges are clearly biased. The olympian commenting^{carefully} said they would not have given the Chinese dive so high a score.]

AIT Totter 1 Inmate Dennis Relates Dream of Glorious Jesus from Tomb

- [BYU-ID Devotional] John Fisher, July 9, 2024 : One of few pillars:
"I can do hard things" [A can-do attitude is crucial, for with God, nothing is impossible]. Maintain spiritual momentum.

- [Latter-day Profiles] Featured a Yale Law & Univ. of Chicago grad.
^{of Op-Eds} who became the main editor at Deseret News [No wonder they have a liberal/leftist slant contrary to the conservative culture]

- [This Week/ABC] Sen. Chuck Schumer: "Re Kamala" "We are brimming with excitement, unity." Kamala favored by Independents: 49% vs 31% for Tr. She's raised \$200M

- Tr. [being silly] "4 more years, and you won't have to vote again, we'll have it fixed so good." [Consistent with my prediction (in N→O) that he'll serve as US Pres. through the Millennium.] (Job 33:25 - ChWFB)

- Gov. Sununu (R): (Re Kamala favor) : "Honeymoon phase, may last 30 days.

- (Pro-Tr. voice, Re Kamala): "defund the police; anti-fracking; amnesty at border,

Didn't get briefing / orientation. Were in GSL building, assigned to 2nd floor. Didn't seem like an effective location.

Inmate Dennis gave a very personal/vulnerable account.

Bill Cunningham - Ozymandias

of his transformation from a hoodlum
person to redeemed (fav. meaning: "to exchange with
something of value"). "We in prison do a lot of judg-
ing: 'gangbanger, sex offender.' He had been in the
White Boys gang (that is brutal to sex offenders). Now, trans-
formed, he says, "Some of the sex offenders I've met are
some of the best people I know." (2)

Recently, he was praying and suddenly was overtaken
with tears, seemingly for no reason. That night, he had
the following dream. It started with him curled up in a
dark cave, crying for a lost (deceased) loved one (wife?).
In his hands were 3 (?) bloody nails. He said the
blood covering the nails represented actions — "everything
I've done to (for others, and what they have done
to) for me." He then saw Jesus gleaming ^{in glory} on the
cave, which turned out to be his tomb, saying holding
out his nail-pierced hands, saying, "I did this for
you." Time to let go of the nails." Understand your in-
finite value & worth. That blood was shed for you if you
will choose it." (was recorded in Prison video of service.)

Pres. Clark (District leader): cited Jesus, "I will give you all
[ChaffB] all that the Father hath." [D&C 88:107]

[KSL] Israel vows major retaliation after deadly attack
(12 children) in soccer field (in N-Gaza).

just 1 or 0.
