

Power of Positive Thinking

While most conservatives have been exposed to the concept of the power of positive thinking, the dialogues I hear among conservative media do not portray that they have taken this principle to heart.

You'll avoid the word "terrifying" if you truly believe in God's ability to sustain, deliver, overcome, defeat. Glenn Beck loves that word. How many times do we hear hosts depicting possible outcomes as unavoidable, when the caveat, "if we don't repent" provides an avenue for averting the negative outcome, for example?

One of the best examples of positive thinking is Pres. Trump. That's why people are so inspired by the hope he offers. I think it was Don Jr. on Beck's show who said his dad's pastor growing up was none other than the iconic Norman Vincent Peale (sp?), one of the key pioneers of such thinking.

The book that radically convinced me of this principle is *The Power of Posit the Subconscious Mind* by Joseph P. Murphy (ironic name ☺). He gives around fifty anecdotes of this principle transforming careers, relationships, health, etc. Our thinking extrains our subconscious automatic reactions.

②
'As a man thinketh in his heart, so is he'
(Prov. 23:7) epitomizes this principle. We all have
a constant choice going on between the positive
thoughts from God or the negative chatter from Satan.
What manifests in our life is a function of which voice we
nurture the most and by how much.

As we sync up with the positive thinking, the
dreams God places on our heart will be manifested miracu-
lously into reality, transforming the planet for good, do-
ing our part to bring the kingdom of heaven to earth.

ational remedy of repentance. Humbly turning back to God and goodness, turning away from sin, individually and societally. The above brief list of specific remedies all fit into the classification of societal repentance.

Pres. Trump's election in 2016, and the stealing of his victory by Biden in 2020, and the blatant tear-down of our country, have created an awakening and repentance revival that have bought us time from the rock-bottom collapse we've been on the brink of.

IF we as a society sufficiently repent, we can avert the rock-bottom calamities prophesied (for a non-repentant society), and we can go straight to the kingdom of heaven on earth, bringing the Second Coming in glory of Jesus Christ forward because we no longer deserve the destructions. I elaborate in detail how we can pull this off, based on a Bible code (we wrote to ourselves to unveil at this time) in my book, *None to One: Evdning the Repentance Clause of Prophecy*, available from IIndComing.com.

People banter around a wide diversity of remedies to repair our collapsing country under the Biden crime syndicate Marxist revolutionaries supported by the deep state establishment that has incrementally infiltrated every sector of our society, including religions, education, media, politics, judicial system, corporations, etc. Yes, electing MAGA candidates is crucial; so is exposing and rooting out the conspirators; so is reforming our elections so it's easy to vote but impossible to cheat; so is cleaning out Marxist agendas from education; so is restoring border security; so is restoring energy independence; so is restoring masculinity to our military; so is defending innocent fetuses from murder; so is taking care of one another's needs through loving, voluntary charity, not government socialist welfare programs at the point of the government gun of power; so is restoring common sense morality (two genders, man & woman pairing righteously); so is taking sensible, caring stewardship of our environment; etc.

However, given the principle that we get the government we deserve, we need to recognize that underlying all the above causes is the core/found-

nation shall possess it shall be free from bondage, and from captivity, and from all other nations under heaven, if they will but serve the God of the land, who is Jesus Christ, who hath been manifested by the things which we have written." (Ether 2)

For a list of references along these lines, see the first four sets of verses under the "Land" entry in the BoFM Index. (1 Ne. 2:20, 4:14; 14:1-2; 2 Ne. 1:9, 20; Jerom. 1:9; Omni 1:6; Eth. 2:8-11; 2 Ne. 1:5; 3:2; 10:19; Eth. 1:38, 42; 2:7, 10, 15; 9:20; 10:28 etc.) An analogous prophecy is found in Isa. 57:13 "...He that putteth his trust in me shall possess the land, and shall inherit my holy mountain."

Eth. 13:2, 3 prophesies that this promised land will be "the place of the New Jerusalem, which shall come down out of heaven." I elaborate extensively on this in my book, None to One: Evoking the Repentance Clause of Prophecy, available from IndComing.com. Likewise, the Founders saw themselves as laying the foundations for the establishment of the New Jerusalem (Majesty of God's Law, W. Cleon Skouser. I attended his week-long class about this).

"The God of the Land is Jesus Christ" - BoFM

The Book of Mormon (BoFM) is filled with fantastic verses about how America is a land of promise, choice above all other lands, designed/foreordained by the Lord to be a prosperous land of liberty for a righteous people, as long as its inhabitants worship the God of the land, who is Jesus Christ. If not, they will be swept off when they ripen in iniquity.

It features two civilizations that were both destroyed when they ripened in iniquity. The Jaredites were led here by the Lord in barges at the time of the scattering at the Tower of Babel. The Lehiters, who split into Nephites and Lamanites, were led from Jerusalem in 600 B.C. just before ^{their inhabitants were} ~~it was~~ taken into Babylon. It's the "stick of Joseph" prophesied to become one with the "stick of Judah" Bible (Ezk. 37:15-28).

"11 And this [BoFM] cometh unto you, O ye Gentiles, that [mission statement] ye may know the decrees of God—that ye may repent and not continue in your iniquities until the fulness come, that ye may not bring down the fulness of the wrath of God upon you as the inhabitants of the land have hitherto done.
