KBYU 5am

(9.8) Come Follow Up (Mosiah 11-17) Ben Lomu, host; James Goldberg, Czechoslovakian scholar; Olga Campos, Czech first baptism during Communism.

The logistics of gospel promulgation during Cold War.

Yoga instructor told her about Church. BSM printed to appear like Communist Manifesto so it could be carried and read in public. Baptized secretly, precariously.

Became yoga instructor; Summer camps; School of Wisdom → baptized ~40 people during Communism.

Questioned by police, took her passport. A church leader was smuggling the BSMs into the country.

After liberation, took 13 years to get ^{combination} to get to ⁱⁿ Czech.

Compared to Alma's conversion by Abinadi's teaching I was astonished (positively) that KBYU allowed this disclosure, seeing they ^(the Church) court Communist/Socialist countries.

Msh. 12:1 Abinadi comes in disguise [then says, "I, Abinadi..."; unwittingly past time for need for disguise"]

12:27 "Ye have not applied your heart to understanding, therefore... not wise" [depicts Isa. 66:4 "delusion"]

Explains how a people so smart could be so stupid.

Alma Fied, hnd many days, wrote all the words of Abinadi.

In S.S., an inmate berroared people who complain about church leaders. I pointed out that this is what Abinadi was doing - as were many prophets in scripture.

[B^U-ID] Nate Wisc (4/30?) "Be faithful in securing the copyright" - J.S. revelation, unpublished

(9.8) [The Chosen] ^{Mar 2m} Nicodemus - Bider mtg.; Matthew called; woman at well. [All excellently depicted.]

Sunday School Bro-West. Adamant "Just Follow Prophet" shuts his mind to variants from dogma.

(6) Movies. "Red Planet" - last ~ 1/3rd. A poor variant of the "Martian" (9.8), which (latter) is believable and credible. Red Planet is ridiculous.

(7) "The Other Side of Heaven" (?) B^U Groberg story continued. ^{last half} Extremely poor acting. Good context. Island missionary ^{labors.}

American Idol Finale. ^{Excellent performer} ^{singer} [^] Abi Carter wins. [^] Very pretty, dresses and behaves ^{somewhat} modestly. I noted three major positive points in the evening when God/Jesus were openly acknowledged, praised, including an entire song, with top 10 contestants singing along? (I'm not sure of that).
